Subject: RE: Opposing eviction of public housing tenant into homelessness - 5/25 Waverley Rd Taringa

Hi Michael, Steph and Abe,

I have been absent since last Wednesday, returning today and finding a message from Steph enquiring into this matter. I have just tried phoning your office, but went to message bank hence the e-mail.

I understand this matter went to QCAT at 4pm last Friday. We await formal advice/outcome as the current warrant is suspended, and it effectively expires tomorrow anyway. We won't be executing the warrant tomorrow and continue to await the re-issue of another warrant or advice otherwise.

I hope this information is of assistance to you.

Thanks,

Shane HANCOCK

Hi Abe and Michael,

Appreciate your engagement in this matter and contact.

Mr BARKER may request a stay in this instance to allow more time for this to be considered – this may or may not be the process suggested below in his contact with QCAT.

Our office has provided sufficient notice to Mr BARKER of our intention to execute the warrant on Monday 16/5/22, with the letter provided listed a number of support agencies that might assist. Unless we receive advice otherwise from the issuing authority, we will continue with our schedule for next Monday.

Thanks,

Shane HANCOCK

Dear S/Sgt Hancock,

CC David Barker, FVHHS and Rob Wheeler.

Abe here from Michael Berkman's office.

I'm getting in touch on Michael's behalf to let you know about the **attached** warrant for possession and letter from Michael to the Housing Minister.

The documents relate to Mr David Barker at 5/25 Waverley Rd Taringa (CC'd), a public housing tenant. Mr Barker is likely to be evicted into homelessness on 16 May 2022 on the basis of complaints about him leaving items in the common areas of the property.

To our knowledge, Mr Barker has not been violent or threatening towards anyone.

With appropriate social supports, Mr Barker has remedied this issue in the past to the Department's satisfaction, including in March 2021.

Mr Barker has or intends to lodge an appeal through QCAT contesting this eviction.

We oppose Mr Barker being evicted in to homelessness, and we urge you not to execute the warrant.

We will be in touch again later in the week.

Kind regards
Abe
