Thanks David, that doesn't sound helpful at all! Although I can't say I'm not surprised. Any sort of rent increase is just unacceptable.

I'll try and get our letter to the Minister/QCAT finalised by this arvo, but with Michael being away, it likely won't get sent off until tomorrow.

I'm glad Rebecca is still following up! We're hoping to send out a bit of a media release to some journos tomorrow.

Ps, is it alright if I drop some flyers off around 4:15 this arvo?

I haven't had much luck finding volunteers yet, but can do one bundle myself today. I can probably find some other folks tomorrow too. As I mentioned previously, I've split them up into 4 bundles of around 300 households each, so shouldn't take too long.

Cheers,
Steph

The meeting was unremarkable.

I completed forms for a referral to the Park Hotel and Brisbane Housing Company. The Department would not guarantee that a place would be available before the eviction date. They were only willing to say they would advocate hard for my case.

Both options will involve a large rent increase and no parking for my car.

I will be writing to the Minister again later today and I'll copy you in as well.

Rebecca Levingston has asked to follow up and I told her not much has changed and action is still needed. I mentioned your planned protest action as well.

Regards,
David Barker
