Hi David,

How are you feeling in the lead up to Friday?

Just letting you know that we are trying to organise to get as many members of SEQUR to come to the protest organised by Michael Berkman's office on Friday. It's really great that Michael has organised this and the union is keen to make sure we can do whatever you want or need on the day, so I was wondering if you had an idea of what you might be expecting or wanting?

By the way, I have listened to both you, and Minister Enoch on the ABC and I have to say that you come across much better. Sadly the minister doesn't sound very trustworthy, particularly when considering the points you made in your last email.

SEQUR has also been invited to speak on radio station 4ZZZ on Tuesday and wondering if there's anything in particular you'd like us to say?

Please let us know if there's anything else SEQUR or myself might be able to help with in the meantime.

Warm regards

Sam
