Hi there David,

The inspection went well and there is no need for us to take any further action at this point. Thank you for your efforts – the property condition is much improved.

Please be advised that we will be proactively trying to mitigate any future complaints, so our team will continue to monitor the property condition every four weeks or so. Your continued cooperation would be much appreciated. If you foresee any issues or would like to discuss any related matters, please let me know.

Regards,
Sam
