I will not have any available time during business hours before the lease at Gardens Drive ends on 2021-12-21 as I am constantly working towards vacation of that premises. Very little has been able to be done in the front yard at Waverley Road recently due to the wet weather, however, I was able to spend a few hours yesterday sorting some things out. As long as the rain holds off for a few days I intend to do more shortly.

Hi David

I've been trying to locate you this week as Housing wants to have a meeting with us together, can you let me know when a good time for you would be so I can book it in please?
Also it is urgent that you clear the front yard so Housing can see that you are actively participating in their request as asked, please.
