THE ARIA REPORT

Chartifacts!

Chart dated: 27 December 1999

SINGLES – Cliff Richard still has no answer to his *Millennium Prayer*, thwarted by Eiffel 65 who stay at No.1 for the eighth straight week with *Blue (Da Ba Dee)*, holding off the challenge of Cliff's timely (or opportunistic depending on your point of view) release which remains at No.2 in its second chart week.

No.72 S CLUB PARTY – S Club 7. This UK No.2 hit (last October) is the second chart single for the seven member multi racial vocal group of Tina Barrett, Paul Cattermole, Jon Lee, Bradley McIntosh, Jo O'Meara, Hannah Spearitt and Rachel Stevens. Like their first hit, *Bring It All Back* (No.3 November 1999), this is from their debut album *S Club* (No.63 December 1999).

No.90 THE FINAL COUNTDOWN 2000 – Europe. Like Prince's dance floor favourite *1999*, this anthemic No.2 hit from April / May 1987 was tailor made for a remix and reissue in the lead-up to the year 2000. The Swedish band's lead singer Joey Tempest thought so and the result is the band's fourth hit single and first chart appearance since October 1988 when they reached No.45 with the single *Superstitious*.

No.97 DEAR LIE – T.L.C. While the relationship between the three girls may be a little rocky at the moment, their fans don't seem to care. This is the third hit single from their album *Fanmail* (No.15 May 1999) following *No Scrubs* (No.1 April 1999) and *Unpretty* (No.3 October 1999).

ALBUMS - Representing retail sales during the week leading up to and including Christmas Day, the last chart of 1999 consolidates the positions of the top albums through December. Celine Dion remains at No.1 for a second week with *All The Way... A Decade Of Song* followed by Shania Twain's million selling *Come On Over* which is in its 54th straight week (and 70th overall) in the top 10. The only change to the composition of the top 10 is the return of *Reload* by Tom Jones (No.10) at the expense of the *Soundtrack to Pokemon The First Movie*. The only new album in this week's top 100 is...

No.87 STILL I RISE – 2Pac. This debut gives Tupac Shakur the distinction of having more chart albums after his death than before it. By the time the gangsta rapper was gunned down in Las Vegas in September 1996 he had reached the Australian albums chart twice; with *Against The World* (No.93 August 1995) and *All Eyez On Me* (No.19 March 1996). Since that time a steady flow of releases has produced the chart albums *R U Still Down* (No.50 December 1997), *Greatest Hits* (No.11 March 1999) and this fifteen track set on which he is co-listed with fellow rappers *The Outlawz*.

Chart dated: 3 January 2000

SINGLES – Just when it appeared that their first hit *Don't Call Me Baby* had run its course, *Madison Avenue* once again have the wind in their sails and step back up into the No.2 position. With *Blue (Da Ba Dee)* now in its ninth week at No.1, the Melbourne act must now be considered a serious chance of becoming the first Australian act to top the singles chart in over two and a half years (the last being *Savage Garden* with *Truly, Madly, Deeply* in May 1997). The two new titles in the top 10 include a second millennium inspired hit, *Will2K* by Will Smith (which leaps from No.16 to No.3) while *Killing Heidi* maintain their top 10 presence with *Weir* (No.6 December) being replaced by *Mascara* (at No.7).

No.50 WHY DOES MY HEART FEEL SO BAD – Moby. This 34 year old New Yorker began recording in 1990 and first charted in Australia in 1997 (his single *James Bond Theme* reached No.65 in December of that year). This is his third hit single and second from his current album *Play* (No.28 last October and currently at No.46) following *Run On* (No.93 last May). Born Richard Melville Hall, his stage name derives from the fact that he is a distant relation of Herman Melville, the author of the classic novel *Moby Dick*.

No.56 MERCURY & SOLACE – BT. All five of this week's debut singles are or have charted on the ARIA Club Chart. Featuring the vocals of Jay Johnston, this trance number by BT aka Brian Transeau hit No.5 on the ARIA Club chart last month. The second ARIA chart single for the US producer follows *Blue Skies* which hit No.93 in January 1997.

No.71 HORNY HORNS – Perfect Phase. The first Australian hit for the Dutch production duo of Mac Zimms and The Freak, this brassy number was a hit across Europe and the United Kingdom late last year and reached No.4 on the ARIA Club chart last month.

No.79 DUSTED – Leftfield. The "progressive house" duo of DJ Paul Bailey and programmer Neil Barnes from London first appeared in the Australian charts supporting John Lydon (of Sex Pistols and P.I.L. fame) on his hit *Open Up* (No.39 March 1994). This is their second hit in their own right and like their first, *Afrika Shox* (No.87 September 1999) it is from their album *Rhythm & Stealth* (No.4 September 1999).

No.99 BULLET IN THE GUN – Planet Perfecto. This is the second Australian chart single for the dance act devised by Paul Oakenfold following *Not Over Yet '99* which hit No.90 last October. Like that song, this track combines female vocals over a lush trance melody.

ALBUMS - The New Year begins with a brand new artist moving into the No.1 position as the Grammy nominated R&B singer Macy Gray ascends from No.3 to No.1 with her first album *Macy Gray On How Life Is*. The album which has now been 20 weeks among the nation's top 100 best sellers is already double platinum. As is customary at this time of year, the absence of any significant new releases through the Christmas break has resulted in a total lack of debuts, although eighteen former chart albums return to this week's list.
