SINGLES – The chart performance of **Macy Gray**'s debut hit *I Try* hasn't set the world on fire over the past month, spending two weeks at No.7 before dropping to No.10 last week. However, with two Grammy nominations during the week and the song's saturation use in TV promos for the return of the *Friends* sitcom, it has rebounded all the way to this week's No.1 spot. This gives it the distinction of having made the biggest leap to No.1 since September / October 1997 when **Elton John** stormed from No.41 to the top with *Candle In The Wind '97 / Something About The Way You Look Tonight*. The success of *I Try* ends the chart topping run of *Blue (Da Ba Dee)* by **Eiffel 65** after nine straight weeks in the top spot.

Three new titles enter this week's top 10 and all are by relative chart novices ... At No.8 is *Better Off Alone*, the first Australian hit for Euro-dance artist **Alice DeeJay**; Moving from No.13 to No.9 is *Absolutely Everybody*, the second hit for Victorian teenage singer **Vanessa Amorosi** whose first hit *Have A Look* peaked at No.13 last August; and coming in at No.10, up two spots from last week is *Steal My Sunshine*, the first hit for Canadian band **Len**. Only one brand new single enters this week's top 100...

No.94 TAKE A PICTURE – **Filter**. This is the first Australian top 100 single for the Chicago outfit that was formed in the mid 1990s by ex **Nine Inch Nails** members **Richard Patrick** and **Brian Liesegang**. Brian has since moved on, leaving Patrick and a transient collective of musicians to perpetuate the group. This single is from the album *Title Of Record* which reached No.41 on the ARIA chart last August.

Although the following title isn't strictly a debut single, it is worthy of comment due to the time span since its last chart appearance (September 1992).

No.28 NOTHING ELSE MATTERS – **Metallica**. (Rtn) A reworking of the song which hit No.8 in May 1992, this single (which includes a CD Rom video of the lead track) is from *S & M* (No.1 November 1999), the album that the band recorded with the **San Francisco Symphony Orchestra**. When originally released in April 1992 the song made its debut in the No.29 position.

ALBUMS - While **Macy Gray** sits comfortably at No.1 for the second week on the national ARIA chart with *Macy Gray On How Life Is*, the big international news on the music front was the ten Grammy nominations picked up by legendary rock band **Santana**. This fact has not escaped the attention of Australia's music consumers who have sent the band's latest album *Supernatural* rocketing from No.8 into the No.2 spot. The album had not previously climbed any higher than No.5 in almost six months on the chart.

After 21 weeks in the top 10 during 1999, *Californication* by **Red Hot Chili Peppers** returns to the top 10 for the first time since last November.

The only new title in this week's top 10 has a fascinating history. The Grammy Award winning *Buena Vista Social Club* album was recorded in 1996 after **Ry Cooder** went to Cuba to track down artists who had performed at the club that bears the album's title. Featuring **Ry** with artists such as the then 90 year old **Compay Segundo**, septuagenarians **Ibrahim Ferrer** and **Ruben Gonzalez** and several other Cuban musical luminaries, the album first charted in Australia during 1997, reaching No.66 in September of that year. The international success of the album (over a million copies sold worldwide) lead to the filming of an uplifting documentary (written, produced and directed by **Wim Wenders**). Currently showing around Australia, the movie is fuelling this second chart life of the original album. This is the second Australian top 10 album for **Ry Cooder** whose previous appearance came in 1979 with the album *Bop Til You Drop*.

No.63 THE GHOST OF TIME – **Iva Davies**. This work was commissioned by the Sydney City Council to form the musical component of Sydney's contribution to the Worldwide Millennium celebrations. The piece was then performed on the northern forecourt of the Sydney Opera House on the evening of 31st December 1999 by Iva, the **Sydney Symphony Orchestra**, **Richard Tognetti** and other guest performers. A forty minute opus built around the **Icehouse** song *Great Southern Land* which was an Australian top 5 single late 1982, the album was recorded late last year. Although this is Iva's first chart album as a solo artist, his chartography **Icehouse** (formerly **Flowers**) netted him a string of seven straight top 10 albums between 1980 and 1990 including the massive *Man Of Colours* which spent 11 unbroken weeks at No.1 from October through December 1987. His last chart appearance with **Icehouse** was with the album *Big Wheel* which reached No.44 in November 1993.
