Chartifacts!

SINGLES – For the second straight week, **Macy Gray** wins a close fought battle with ***Blue (Da Ba Dee)*** by **Eiffel 65** to retain the No.1 spot with ***I Try***. This week however, the combatants are joined by a third single, ***Mascara / Leave Me Alone*** by **Killing Heidi** which moves from No.5 to No.3, hard on the heels of ***Blue***. Highlighting the narrowness of the margin is the fact that the **Macy Gray** single is at No.1 in only one of the ARIA State charts (New South Wales) with **Eiffel 65** at the top in both South Australia / Northern Territory and Western Australia and **Killing Heidi** on the other two ARIA State charts.

The only change in the composition of the top 10 is the return of ***The Bad Touch*** (at No.10) five weeks after the **Bloodhound Gang** single spent its first and only other top 10 week in the No.8 position.

No.22 AFFIRMATION – Savage Garden. This is the title track and third single from the second **Savage Garden** album (No.1 November 1999) following ***The Animal Song*** (No.3 March 1999) and ***I Knew I Loved You*** (No.4 October 1999). The latter is currently on the verge of becoming the Queensland duo's second US No.1 hit. Affirmation is their eighth consecutive top 30 hit since reaching No.4 with their debut single ***I Want You*** in September 1996.

No.39 ADAGIO FOR STRINGS – William Orbit. For the best part of the past twenty years, the multi faceted English producer, remixer and musician has had more success putting his mark on the work of other people than his own. His extensive discography includes remixes for **Belinda Carlisle, Prince, Peter Gabriel, Blur, Human League** and **Erasure** (and many others) as well as the co-writing and production credits on **Madonna's** Grammy Award winning album ***Ray Of Light*** (No.1 March 1998). From his forthcoming album ***Pieces In A Modern Style*** (which was actually recorded in 1995), this UK top 5 single and his first Australian hit is an electronic version of a classical piece written circa 1936-38 by the American composer **Samuel Barber** (1910-1981).

No.41 LOVER – Amen Vs Rachel McFarlane. This release marks the "legitimization" of an underground bootleg that married the original mix of **Amen's *Lover*** with the dance floor favourite ***For An Angel*** by **Paul Van Dyk**. The vocalist on this track, **Rachel McFarlane** is best known as the lead singer of the UK dance act **Loveland** who have released an album and a few singles here in Australia through the mid 1990s without yet reaching the national pop chart.

No.46 RHYTHM DIVINE – Enrique Iglesias. The younger of the two sons of **Julio Iglesias** (Senior) currently active on the chart, 24 year old Enrique moves ahead of his brother **Julio Jr.** in the chart hit stakes with this being his second hit following ***Bailamos*** (No.13 October 1999). Both hits are from his album ***Enrique*** (No.63 November 1999). To date, the only chart single for **Julio Jr.** has been ***One More Chance*** which reached No.46 last September.

No.75 THANKYOU (FOR LOVING ME AT MY WORST) / CHUNKY CHUNKY AIR GUITAR – The Whitlams. Featuring a photograph of playwright **Jack Kerouac** on the CD cover, this is the third chart single for the acclaimed Sydney band fronted by **Tim Freedman**. The double A listed release is the first from their current album ***Love This City*** (No.3 November 1999).

No.81 INTO THE VOID / WE'RE IN THIS TOGETHER - Nine Inch Nails. Two tracks from the double CD ***The Fragile*** (No.2 on debut last September), this is the sixth chart single for the band that acts as musical vehicle for **Trent Reznor**. It is the second single from the album following ***The Day The World Went Away*** (No.31 August 1999).

No.83 SECRETS – Grinspoon. This is the ninth chart single within three years for the prolific and consistent band who emerged in the mid 1990s as winners in the first **JJJ Unearthed** program. It is the second single from the band's latest album ***Easy*** (No.4 November 1999) following ***Ready 1*** which peaked at No.36 last October.

No.93 ARRIBA – Joee. This is the first Australian chart entry for the 25 year old Toronto born and based dance artist whose real name is **Joe DeSimone**. The Canadian singer has released two albums and a number of singles in his homeland but this is his first venture downunder.

ALBUMS - In its third week at the top of the national chart, **Macy Gray** completes a clean sweep of State charts for the first time as her album ***Macy Gray On How Life Is*** replaces **Celine Dion's *All the Way... A Decade of Song*** at the top of the Queensland list. Meanwhile, **Savage Garden** are experiencing a resurgence in popularity of their album ***Affirmation*** (back up to No.2 this week) that coincides with the debut of the album's third single and title track. The only bulleted title among the top 10 belongs to **Cher** whose ***Greatest Hits*** album rebounds from No.10 to No.5, surpassing the No.6 position that it attained late last year.

No.93 UNLEASH THE DRAGON – Sisqo. For the second successive week the albums chart features only one brand new title, this week's belonging to the first member of the R&B group **Dru Hill** to release a solo set. In contrast to the saccharine ballad style of most of the output of his group, this album is a more earthy, up-tempo affair.
