THE ARIA REPORT

Chartifacts!

SINGLES - Label-mates **Savage Garden** and **Killing Heidi** are both celebrating triple plays this week as *I Knew I Loved You* and *Mascara / Leave Me Alone* both hold for their third weeks at No.1 in the USA and Australia respectively. The first top 10 debuting single of the year arrives this week in the form of *Move Your Body* by **Eiffel 65**, the trio's second straight major hit.

No.9 MOVE YOUR BODY - **Eiffel 65**. Not French (as previously reported) but Italian, the trio of **Jeffrey Jay**, **Gabry Ponte** and **Maurizio Lobina** continue their presence in the top 10 as their second hit debuts the same week that their first, *Blue (Da Ba Dee)* drops from No.9 to No.11 after 16 weeks in the national top 10.

No.15 BLOKE - **Chris Franklin**. The cover of this single depicts the self confessed Yobbo, apparently inebriated, propped up against a wall with several crushed and obviously well consumed cans of VB scattered around him. The Aussie comedian's first hit is a "piss-take" on the **Meredith Brooks** song from a couple of years ago titled *Bitch* (No.2 July 1997).

No.26 CARTOON HEROES - **Aqua**. Continuing the almost surreal, "other-Worldish" atmosphere of the five hits from their first album *Aquarium* (No.1), this is the lead track from the Danish quartet's forthcoming second CD *Aquarius*.

No.47 FROM THE BOTTOM OF MY BROKEN HEART - **Britney Spears**. Britney turned 18 late last year, and to mark her "new maturity" her fourth hit single is a ballad, departing from the pop dance of her previous releases *Baby One More Time* (No.1 February 1999), *Sometimes* (No.2 July 1999) and *(You Drive Me) Crazy* (No.12 November 1999).

No.49 RUN TO THE WATER - **Live**. The ninth hit for the band fronted by **Ed Kowalczyk** continues the nautical theme of their last, *The Dolphins Cry* which is barely past its peak (No.25 two weeks ago). Both songs are from the album *The Distance To Here* (currently No.14 after debuting at No.1 last October).

No.56 WOO ME - **Marcia Hines**. This is the sixth chart single in the resurgent career of the former 1970s Queen of Pop whose comeback began in the mid 1990s with the hit *Rain (Let The Children Play)* (No.45 August 1994). It is already in the top 40 of the Victoria/Tasmania chart (No.31).

No.59 U KNOW WHAT'S UP - **Donell Jones**. A few weeks ago, **William Orbit** the producer of **Madonna's** *Ray Of Light* album made his chart debut as an artist and this week the producer of the diva's *Bedtime Stories* set does likewise. Like **Orbit**, this is not **Donell's** first recording, coming from his upcoming second album *Where I Wanna Be*.

No.61 EVERYTHING IS GREEN - **Sneak**. Likening themselves to **Powderfinger**, **Spiderbalt** and **Brad**, this new Australian band claim to have an extensive repertoire of self penned material although this song was apparently the first they ever wrote together.

No.80 BOMB DIGGY - **Another Level**. This is the third hit following *Freak Me* (No.43 November 1998) and *I Want You For Myself* (No.85 April 1999) for the schmaltsy British R&B act. This single hit No.6 in the UK last November.

No.88 OUT OF CONTROL - **The Chemical Brothers**. Following their trip down under to blitz the recent **Big Day Out** gigs, **Tom Rowlands** and **Ed Simons** are seeing action on both the singles and albums charts. This is their fourth Australian chart single and second from their *Surrender* album which is on fire, leaping to No.5 this week.

No.95 HAMMER TO THE HEART - **The Tamperer Featuring Maya**. Featuring sampling from the top 10 **Abba** hit *Gimme, Gimme, Gimme* from 1979, this is the third Australian hit for the dance act whose vocalist (**Maya**) is currently spending her moments away from the act appearing in the show *Rent* in London's West End. Their other hits have been *Feel It* (No.19 August 1998) and *If You Buy This Record (Your Life Will Be Better)* No.37 January 1999).

No.97 Mamma Mia - **A*Teens**. A little over 25 years ago, (in November / December 1975) this song was at No.1 in Australia for the Swedish supergroup **Abba**. At that time, none of the members of this cover group (also from Sweden) were even alive, with **Marie Serneholt** and **Amit Paul** born in 1983 and **Sara Lumholdt** and **Dhani Lennevald** both born in 1984. This is their first release.

ALBUMS - For the sixth week, the album *Macy Gray On How Life Is* remains as the top seller in Australia. The most immediate challenge to the incumbency of **Macy Gray** coming from the **Red Hot Chili Peppers** album *Californication*, Which spent its one and only week at No.1 on debut 35 weeks ago... last July! After 37 weeks in the top 100, **Moby** has the only new title among this week's top with his album *Play*.

No.15 THE ULTIMATE COLLECTION - **Barry White**. This soul singer extraordinaire who has attained such titles as *The Love Man* and *The Maestro*, enters the charts with a CD that brings together a collection of his biggest hits. Barry started off writing music for his all girl group **Love Unlimited**, before being convinced to take to the mike himself. This compilation includes the 1974 Top 10 hit *Never, Never Gonna Give Ya Up*, and the classics *You're The First, The Last, My Everything*, *Can't Get Enough Of Your Love, Babe* and *I'm Gonna Love You Just A Little More Baby*.

No.17 XTRMNT - **Primal Scream**. The first of their five albums, *Screamadelic* saw **Bobby Gillespie** and the band enter the world of rock. Since then they have released three albums; *Give Out But Don't Give Up* (No.28 April 1994), *Vanishing Point* (No.64 July 1997) and *Echo Dek*. Their latest album is being called angry, abusive, belligerent and experimental. The eleven new tracks include the single *Swastika Eyes* (No.71 last November), alongside *Kill All Hippies*, *Pills* and *Keep Your Dreams*.

No.27 SNOOP DOGG PRESENTS THA EASTSIDAZ - **Tha Eastsidaz**. The debut album from rapper **Snoop Dogg's** new group **Tha Eastsidaz**, showcases many guests, including **Dr. Dre**, **Nate Dogg**, **Warren G**, **Kurrupt** and **Xzibit**. Snoop himself is no stranger to the charts, having hit the ARIA top 50 with the albums *Doggystyle*, *Tha Dogfather*, *The Game Is To Be Sold, Not Told* and *Topp Dogg*.

No.92 Q & A WITH DEAN MARTIN - **Something For Kate**. Vocalist **Paul Dempsey**, bassist **Stephanie Ashworth** and drummer **Clint Hyndman** are the Melbourne born band **SFK**. This new release, which includes ten new tracks, follows their last two albums *Elsewhere For Eight Minutes* (No.70 July 1997) and *Beautiful Sharks* (No.10 June 1999).

No.97 BACK AT ONE - **Brian McKnight**. Formerly a founding member of the vocal group **Take 6**, this is the second Australian album release for the New York born singer following *Anytime*. The album which caters to pop, hip-hop and R&B lovers was written, produced, arranged and performed by **McKnight** who calls it "my rise to the occasion".

The ARIA Report is produced a minimum of fifty weeks each year and is only available by subscription.

Subscription rates are as follows -
