# THE ARIA REPORT

## Chartfacts!

**SINGLES** – The anguished vocals of Macy Gray have proven irresistible for hordes of lovestruck Valentines Day music buyers causing her former No.1 single *I Try* to rebound for its third week in the nation's top spot. Three singles make their first appearance in the top 10 this week. Heading the charge is Melbourne comedian Chris Franklin whose variant on the cultural observations of Meredith Brooks in her 1997 No.2 hit *Bitch* take him to within striking distance of the top of the chart, up twelve positions to No.3 with his first hit *Blake*. Also reaching the top 10 for the first time are English dance artist and former model Tina Cousins with *Pray* climbing to No.8 and American teenager Jessica Simpson who debuts at No.10 with her first hit *I Wanna Love You Forever*.

**No.10 I WANNA LOVE YOU FOREVER** – Jessica Simpson. Where have you seen a by-line like this before? "Teen former Mickey Mouse Clubber now building pop career" Yes indeed, it seems to be the way in the US at the moment... Like Christina and Britney before her, Jessica tried out for the Mickey Mouse Club! For the record, this is the first hit for the tall, blonde 19 year old Texan.

**No.16 CANDY** – Mandy Moore. While on the subject, Mandy is also a blonde teen American with her first hit. Not yet 16 years old, Mandy was born in New York but has spent most of her life in Florida.

**No.20 DO YOU WANT MY LOVE** – Coco Lee. With Australia's location and strong Asian ties, it is somewhat surprising (to me at least) that this hit is a rarity. Born Ferren Lee 24 years ago in Hong Kong (but raised in California), Coco is only the second Asian solo artist to hit the Australian charts in the past ten years, the last being Japanese singer Seiko with *The Right Combination* (No.11 in September 1990). Like Seiko, Coco is already an established star in Asia with around a dozen hit albums to her credit.

**No.21 HERE WE GO EP (feat. SUCKER)** – 28 Days. A little over six months after their first chart experience with the *Kid Indestructible EP* (No.69 last June), the Melbourne punk quartet of Damian, Jay, Simon and Adam land their second with this five tracker being a foretaste of their self titled debut album which is due late next month.

**No.23 GO LET IT OUT** – Oasis. This week's UK No.1 single signals the imminent arrival of the next Oasis album *Standing On The Shoulder Of Giants*. It is the tenth Australian hit for the band whose first Australian hit came in 1995 with *Whatever* (No.40 June) and who were last on the chart two years ago with *All Around The World* (No.69 January 1998).

**No.41 DON'T BE STUPID (YOU KNOW I LOVE YOU)** – Shania Twain. Yet another long, descriptive song title from the Canadian singer whose *Come On Over* album (No.1 for 20 weeks from February through December 1999) elevated her to Superstar status last year. This is the sixth hit single from the album which is still in the national top 10 after a marathon (and record setting) 77 weeks.

**No.42 PULL UP TO THE BUMPER** – Deni Hines. From the forthcoming *Soundtrack* to the movie *Wogboy*, Deni's sixth Australian solo hit is a remake of the late 1981 chart debut for the statuesque and angular diva Grace Jones.

**No.45 CAN YOU FEEL** – Taxiride. The album *Imagine* (No.1 October 1999) produces its third chart single for this Melbourne four piece following the memorable songs *Get Set* (No.8 last July) and *Everywhere You Go* (No.15 last October).

**No.48 SAY MY NAME** – Destiny's Child. This is the third Australian hit single for the four Afro-American girls from Texas, Beyonce Knowles, Kelendria Rowland, La Tavia Roberson and Le Toya Luckett. This entry breaks the repetitive one-word mold set by their previous hits *No, No, No* (No.72 April 1998) and *Bills, Bills, Bills* (No.26 September 1999).

**No.63 FALLING AWAY FROM ME** – Korn. More than two months after its release, the US Rock band's latest album *Issues* (No.1 last November) yields its first chart single. This track follows two hits from each of the group's two previous albums, *Life Is Peachy* (No.26 May 1997) and *Follow The Leader* (No.1 August 1998).

**No.75 LIFT ME UP** – Geri Halliwell. The former Spice Girl continues to defy her knockers with this single adding to her list of hits, reaching No.1 on the UK chart last November. In Australia it is her third solo hit following *Look At Me* (No.3 May 1999) and *MI Chico Latino* (No.43 August 1999).

**No.87 RIGHT NOW** – Atomic Kitten. A trio of teen girls from Liverpool (UK), Natasha Hamilton (17), Liz McClarnon (18) and Kerry Katona (19) hit No.10 in their homeland with this, their first single, last December.

**No.93 HEART GO BOOM** – Apollo Four Forty. This is the fourth Australian hit for the English dance band although they are yet to crack a big one here, their best to date being *Ain't Talkin' 'Bout Dub* which reached No.64 in March 1997. The band performed this song live last week on the new ARIA Chart TV show *House Of Hits* on Channel 10.

**ALBUMS** – Macy Gray can still lay claim to having the only chart topping album of the year so far with *Macy Gray On How Life Is* registering its seventh week on pole. The two bulleted titles in the top 10 belong to English dance meister Moby, who springs from No.10 to No.4 with *Play* and "Mr. Love Unlimited" himself, Barry White whose *Ultimate Collection* slides as smooth as silk up ten places into the No.5 slot. His only other Australian top 10 appearance came in 1974 with *Stone Gon'*.

**No.13 PENNYBRIDGE PIONEERS** – Millencolin. This Swedish punk / pop band have been recording since 1992, and have released four other albums, *Same Old Tunes*, *Life On A Plate*, *For Monkeys* and *The Melancholy Collection* (No.72 April 1999). They take their name from a skate trick called "melancholy", but changed the spelling so it sounded more like a name. This album which contains 14 new tracks was recorded in Hollywood California with Brett Gurewitz and Donnell Cameron.

**No.44 THE SCREEN BEHIND THE MIRROR** – Enigma. The elusive man behind Enigma is Rumanian Michael Cretu. Since 1990 he has released three other albums in Australia, *MCMXC A.D.* (No.2 March 1991), the Platinum accredited *The Cross Of Changes* (No.2 April 1994) and *Le Roi Est Mort, Vive Le Roi* (No.10 December 1996). The new album includes vocalist Ruth-Ann on two tracks, one of which is the new single *Gravity Of Love*.

**No.54 WHEN THE PAWN...** – Fiona Apple. Manhattan born Fiona describes her new album as "soul music meeting funky hip-hop rhythms and syncopation's that hearken the spirit of jazz". Some of her career highlights include having been voted MTV's Best New Artist in 1997, and winning a Grammy for Best Female Rock Vocal Performance in 1998 with her single *Criminal* (No.51 March 1998). This is her second album following *Tidal* (No.43 March 1998).

**No.75 GETTING' HIGH ON YOUR OWN SUPPLY** – Apollo Four Forty. The story goes that Noko, Trevor and Howard saw a new band called Van Halen and decided to start a band. They took their name from the Greek God of music, and 440 is the frequency of the musical note "A". Featuring the singles *Stop The Rock* (No.79 August 1999) and *Heart Go Boom* (No.93 this week), the new album follows *Millenium Fever* and *Electro Glide In Blue* and maintains the band's varied sound of techno, rap and dance.

**No.78 THE SKIFFLE SESSIONS (LIVE IN BELFAST)** – Van Morrison, Lonnie Donegan, Chris Barber. This old form of music makes a comeback with some of its oldest advocates playing the music they love and started with. Recorded live at Whitta Hall, Belfast, this album contains 15 Skiffle numbers including *Frankie And Johnny* and *It Takes A Worried Man*, both written by Lonnie Donegan. Van Morrison says "here I am again 'back on the corner' playing skiffle once more, with my old and new friends who so inspired me". Although Van has been the most consistently chart active of the trio, his collaborators are no strangers to chart success either, Lonnie being best known for the hit novelty tunes *Does Your Chewing Gum Lose Its Flavour (On The Bedpost Overnight)* (1959) and *My Old Man's A Dustman* (1960) and Chris for the instrumental hit *Petite Fleur* (1959).
