Chartifacts!

SINGLES – Maybe there's a subliminal message in the title of the latest ***N Sync** single. ***Bye, Bye, Bye*** powers into its third week on the chart still convincingly clear of the pursuing pack which is headed this week by **Mandy Moore** with her first hit ***Candy***. The major movers in this week's top 10 are; **S2S** who bound to No.5 after spending their first three chart weeks at numbers 10, 10 and 11 with their second hit ***What's A Girl To Do***; **Hanson**, whose latest hit ***If Only*** climbs five spots to No.9, the fifth of their six singles to have reached the top 10 and finally, **Blink 182** who reach the top 10 for the first time with their sixth Australian top 100 chart single ***All The Small Things***.

No.46 WAIT AND BLEED - Slipknot Their names are **DJ Sid Wilson, Joey Jordison, Paul Gray, Chris Fehn, James Root, Craig Jones, Shawn Crahan, Mic Thompson** and **Corey Taylor**, but that is almost irrelevant in the context of the stage performances of this metal band from Des Moines, Idaho. For their live performances they all wear masks and matching overalls numbered from 0 through 8. Their first Australian chart single is from their self titled second album which is now at No.66 after reaching No.32 last month as well as appearing on the **Soundtrack** of the shock thriller ***Scream 3*** which also debuts this week.

No.47 BE THERE WITH YOU – Human Nature. In a World of hits and misses, the vocal quartet comprising brothers **Michael** and **Andrew Tierney, Toby Allen** and **Phil Burton** have yet to record a "miss". The fifth single from their album ***Counting Down*** (No.1 May 1999), this is their twelfth consecutive top 50 single.

No.77 MIRROR MIRROR – M2M. From their recently released debut album ***Shades Of Purple***, this is the second hit for the Norwegian teenage duo of **Marit Larsen** and **Marion Raven**. Still charting at No.78, their first hit ***Don't Say You Love Me*** peaked at No.4 back in January.

No.94 PLAY – Ultraviolet. This is the second release but first foray onto the ARIA charts for the Queensland "power pop" quartet of **Sean** and **Darren Riordan, Kieran Clair** and **Ross 'Rusty' Geddes**. Featuring five tracks, two of which, ***She Was Up*** and ***Play*** both have accompanying film clips, the EP is (understandably) performing best in the group's home State where it made its debut this week in the No.31 position.

No.96 DON'T BELIEVE IN LOVE – Diana Ah Naid. A little under three years ago Diana emerged from the New South Wales north coast hinterland as a raw but enthusiastic new talent. Success was almost immediate, with her debut single ***I Go Off*** catching the imagination of JJJ among others and ultimately reaching No.35 on the ARIA charts (August 1997). Her second chart single, ***Don't Believe In Love*** is from her second album ***I Don't Think I'm Pregnant*** which has a best chart position to date of No.94 achieved last August.

No.99 RISE – Gabrielle. Like her other UK No.1 single ***Dreams*** (No.2 on ARIA, November 1993), this recent chart topper in Great Britain is built on the melody of a former hit. The English R&B vocalist's fifth Australian chart single (and first since ***Give Me A Little More Time*** which peaked at No.70 in May 1996) lists **Bob Dylan** in the writing credits due to the use of the tune of his 1973 hit ***Knocking On Heaven's Door*** under **Gabrielle's** vocals.

ALBUMS - The last time they released an all new album (***The Great Southern Trendkill*** in May 1996), **Pantera** came up against a brand new **George Michael** title (***Older***) and had to settle for the No.2 spot on debut. This week their new album ***Reinventing The Steel*** suffers a similar fate at the hands of an album that is no less potent in its third week on the chart... ***Reflector*** by **Killing Heidi** easily retains top chart position across the nation, holding the top spot in all five ARIA State charts. In addition to the **Pantera** CD, a second album makes its debut within this week's top 10, ***Bitter & Twisted*** being the first chart album for the funky Melbourne combo who call themselves **Area 7**.

No.2 REINVENTING THE STEEL – Pantera. It's been four years since the album ***The Great Southern Trendkill***, peaked at No.2 in May 1996. Before that the albums ***Vulgar Display Of Power*** (No.56 April 1994) and ***Far Beyond Driven*** (No.1 March 1994) established this hard rocking band on the charts., Produced by **Vinnie** and **Dimebag Darrell**, the new album includes the track ***We'll Grind That Axe For A Long Time***, which according to band frontman **Philip Anselmo** is their motto.

No.6 BITTER & TWISTED – Area 7. Skanking their way out of Melbourne, this Ska band who take their name from the **Specials** track ***Dawning Of A New Era***, release their second album following ***No Logic***. The new album includes their last two singles ***Bitter Words*** (No.59 February 1999) and ***Second Class Citizen*** (No.29 November 1999).

No.18 MILLION DOLLAR HOTEL – Soundtrack. This **Wim Wenders** film is based on a story conceived and written in part by **U2's Bono**. The soundtrack includes three new songs by **U2**, ***Stateless***, ***The First Time*** and ***The Ground Beneath Her Feet***, which has lyrics penned by **Salman Rushdie**. Also included is a Spanish language version of the **Sex Pistols** track ***Anarchy In The UK***, called ***Anarchy In The USA***, which features the all-star **Million Dollar Band**.

No.52 WAR & PEACE – VOLUME 2 (THE PEACE DISC) – Ice Cube. West Coast rapper **Ice Cube** returns to the charts with the follow-up to **War & Peace Volume 1**, which peaked at No.68 in November 1998. This second volume is "more R&B and club orientated, using samples from popular party anthems creating a lighter mood". It includes collaborations with **T Bone, Dr Dre** and **Krayzie Bone**, to name just a few.

No.90 SHOWBIZ – Muse. Hailing from Devon on the South Coast of England, **Chris Wolstenholme, Matthew Bellamy** and **Dominic Howard** enter the Australian charts for the first time with this their debut album. Their singles ***Uno*** (released last year) and ***Muscle Museum*** (released at the beginning March) are both from this album.

No.97 SCREAM 3 – Soundtrack. Based on the book trilogy entitled **Stab**, the third part of the **Scream** story has arrived to terrorise our cinema goers. The soundtrack has eighteen tracks including **Slipknot** with ***Wait And Bleed***, **Coal Chamber's *Tyler's Song*** and ***Is This The End*** by **Creed** which goes to show that this is one very hard rock album.

No.100 IT'S A WIGGLY WIGGLY WORLD – The Wiggles. The year 2000 marks the tenth year in children's entertainment for **The Wiggles** and also sees them release their tenth album. All the regular favorites are there **Dorothy Dinosaur, Henry The Octopus, Wags The Dog** and **Captain Feathersword** as well as guest appearances by **Slim Dusty, Christine Anu, Rolf Harris, Human Nature, Tim Finn, Atsuko Arai, Kamahl** and **Jimmy Little**.
