THE ARIA REPORT

Chartifacts!

SINGLES – In a repeat performance of last week's chart, two features stand out... Top of the list of course, is the continuing dominance of ***N Sync** whose single **Bye Bye Bye** remains clearly in control across the nation, remaining at No.1 on the chart for its fifth consecutive week. The second noteworthy feature is the continuing success of **Killing Heidi** whose third single **Live Without It** storms into the chart at No.6, instantly matching the peak of their first hit **Weir** (last December) and giving them a 100% top 10 hit rate early in their career following the No.1 performance of their last single **Mascara / Leave Me Alone** (in January).

No.6 LIVE WITHOUT IT – Killing Heidi. Over the past six months or so, this Victorian quartet have been all-conquering on the Australian music scene. As mentioned above, this is the third straight top 10 single for brother and sister **Jesse** and **Ella Hooper** and their bandmates **Warren Jenkins** and **Adam Pedretti**. In addition to their singles chart success, after spending its first four weeks on the chart at No.1, their debut album **Reflector** was this week narrowly edged into second place by another debuting Victorian artist, **Vanessa Amorosi** (see the album reviews). Despite the album's fall to No.2 this week, the current "vibe" for this band should see it at or near the top of the chart for some considerable time yet.

No.24 THERE YOU GO – Pink. The No.7 hit in the US chart for the past two weeks, this is the debut single for the 19 year old American R & B singer instantly recognizable by her bright pink hairdo. It is from the just released **Babyface & L.A. Reid** produced album **Can't Take Me Home**, for the **LaFace** signed singer whose label-mates include **T.L.C.** and **Toni Braxton** among others.

No.33 NEVER BE THE SAME AGAIN – Melanie C. Three weeks ago this duet between **Sporty Spice** and **T.L.C.** member **Lisa "Left-Eye" Lopes** made its debut at No.1 in the UK chart. Melanie's first UK No.1 makes her the third of the **Spice Girls** to have reached the top of the UK chart with a solo single after **Geri** (who has had three) and **Me! B** who, interestingly enough also collaborated with an American R & B star (**Missy "Misdemeanor" Elliott**) on her hit, **I Want You Back** in 1998.

No.59 A SONG FOR THE LOVERS – Richard Ashcroft. Twelve months after the acrimonious demise of his former band **The Verve**, Richard charts with his first solo release. In its short lived chart career, the Wigan band had four Australian hit singles including **Bitter Sweet Symphony** (No.11 November 1997) all from their one hit album **Urban Hymns** (No.9 April 1998). This single made its UK debut at No.3 this week.

No.72 THE WAY I MATE – Rednex. In certain European territories this "technobilly" dance act were all-conquering through the mid 1990s with a string of hit singles and multi-platinum album sales. In Australia their success has been a little more modest although their first hit **Cotton Eye Joe** (who can forget it??) reached No.8 on the ARIA chart in April 1995. This is their third Australian top 100 single and first since **Old Pop In An Oak** (No.70 July 1995).

No.73 MY FRIEND – Oblivia. Mixed in Los Angeles by **Tim Palmer** (who has previously worked with **Pearl Jam**, **Tears For Fears**, **James** and **The Cure**), this is the debut single for the Sydney five member band of **Tony Juke**, **Pete Banner**, **Johnny Sans**, **Owen Thomson**, **Josh Orange**.

No.89 YOUR REALITY (ONLY YOU) – Chaise. Following **Only Be Me** (No.92 December 1998), this is the second Australian chart single for the Brisbane based singer / songwriter who was born in the South-East Queensland regional centre of Gympie. Understandably, this, like her two previous singles (her second, **So In Love** fell short of the national top 100 last year) is initially charting most strongly in her home State of Queensland where it is at No.28 this week.

ALBUMS - While **Killing Heidi's** album **Reflector** is still massively outselling every other established album on the chart, it is unable to withstand the first week push of **The Power**, the debut album for fellow Victorian performer **Vanessa Amorosi**. In the end, however, it was a very close contest with **Reflector** retaining the top position in Victoria / Tasmania and Western Australia against No.1 debuts in New South Wales and Queensland for **The Power**. The South Australia / Northern Territory chart meanwhile, has relegated the battle of the front runners to a fight for the No.2 spot behind the album **The Historic 1968 BBC Farewell** by **The Seekers** following the veteran band's massively successful pass through Adelaide on their national tour.

No.1 THE POWER – Vanessa Amorosi. The first time we saw this Melbourne born singer enter the charts was with the Gold accredited single **Have A Look**, which reached a high point of No.13 in August last year. Following that, her single **Absolutely Everybody** peaked at No.6 in December 1999 and achieved Platinum status. Both of these singles are taken from this, her debut album, which not only debuted at No.1, but has already gone Gold within its first week of release.
