SINGLES – Action a-plenty in this week's top 10 with four singles earning bullets including yet another No.1 debut. The big news of the week of course is the No.1 debut of **Bardot** whose story has been played out on National television for the past couple of months, culminating in this week's Platinum debut of their first ever single **Poison**. It is the 13th single to debut at No.1 in almost 17 years of ARIA charts, yet oddly, it is also the third in a row following **Madonna** (with **American Pie**) and ***N Sync** (with **Bye Bye Bye**) both last month. For the record, **Bardot** are the second act to have achieved the feat with their debut release (the other being **Hanson** in 1997 with **Mmmmbop**) and the fourth Australian act after **Midnight Oil** (**Species Deceases** in 1985), **Kylie Minogue** (**Got To Be Certain** in 1988) and **Silverchair** (**Freak** in 1997). The other bulleted singles are (in order) **Say My Name** which moves from No.12 to No.3 to give **Destiny's Child** their first Australian top 10 single; **Adelante** which climbs from No.10 to No.4 for **Sash!**; and **Never Be The Same** which leaps 26 spots to No.7 to give both **Melanie C.** and **Lisa "Left-Eye" Lopes** their first taste of the top 10 outside of their respective chart topping groups **Spice Girls** and **T.L.C.**.

No.1 POISON – Bardot. Manufactured groups are not a new or unusual phenomenon... even the likes of **The Monkees**, **Spice Girls** and half of the current batch of "boy bands" doing the rounds have their origins in the minds of a manager, promoter or record company exec. Where **Bardot** differ is that **Belinda Chapple**, **Katie Underwood**, **Sally Polihronas**, **Sophie Monk** and **Tiffany Wood** were all auditioned, selected (from thousands of entrants) and groomed on the top rating national television show **Popstars**. Their debut single is a clear winner on each of the five ARIA State charts.

No.14 WHY DOES IT ALWAYS RAIN ON ME – Travis. Their album **The Man Who** has been charting for the past six weeks (including a fortnight in the No.8 position), but this is the first Australian top 100 single for the Scottish four piece of **Francis Healy**, **Andrew Dunlop**, **Douglas Payne** and **Neil Primrose**.

No.44 BE WITH YOU – Enrique Iglesias. The **Enrique** album (No.41 January and now at No.69) yields its third consecutive top 50 single for the son of legendary Spanish crooner **Julio Iglesias**. **Enrique's** two previous chart singles have been **Bailamos** (No.13 last October) and **Rhythm Divine** (No.36 in January).

No.53 I GOT THIS FEELING – Baby Bumps. The standout feature of the first Australian hit for this UK duo is the single's sampling of **Michael Jackson's** disco smash **Don't Stop 'Til You Get Enough** (No.1 January / February 1980). Their second UK hit, the single reached No.22 there in February.

No.56 FREAKIN' IT – Will Smith. The solo hits keep coming for the **Fresh Prince** with this being his seventh Australian hit single in the three years since he stormed to No.1 with **Men In Black** (September 1997). The third single from his current album **Willennium** (No.27 November 1999) follows a string of six consecutive National top 30 hits.

No.58 GIVE ME YOU – Mary J. Blige. This 29-year old diva from the Bronx area of New York has been a star 'Stateside' since the early 1990s with albums such as **What's The 411?** and **My Life**. However, this is only her second Australian chart single following **Be Happy** (No.76 April 1995), although she did share the credits on **I Want You Back**, the first solo outing for **Spice Girl**, **Melanie B.** (No.12 October 1998).

No.79 YOU'RE THE REASON – Wamdue Project. Initially charting in Victoria where it has made its debut at No.46, this is the second Australian chart single for the dance act masterminded by Atlanta based **Chris Brann**. **Wamdue's** first Australian chart appearance came last October when **King Of My Castle** reached No.26 on the National chart.

No.82 MAMBO ITALIANO – Shaft. Internationally, this act were at the forefront of last year's Mambo revival with their previous single (**Mucho Mambo**) **Sway** entering the UK chart at No.2 the same week that **Lou Bega** debuted in the No.1 position with **Mambo No.5**. In Australia (**Mucho Mambo**) **Sway** peaked at No.28 last month and is still on the chart (at No.64). Both **Shaft** singles are remakes of **Rosemary Clooney** hits in the 1950s.

No.94 SLEEP NOW IN THE FIRE – Rage Against The Machine. This is the fifth Australian chart single for the politically active left-leaning rock band from California. It is the second single from their current album **Battle Of Los Angeles** (No.2 last November) following **Guerrilla Radio** (No.57 last December).

ALBUMS - With their single **Bye Bye Bye** having held the No.1 position for the past five weeks, ***N Sync** could be a little disappointed with the Australian No.3 debut of their US No.1 second album **No Strings Attached**. However, it owes much of its predicament to the timing of its release behind two hot Australian titles. Last week's No.1 album **The Power** by **Vanessa Amorosi** and former chart topper **Reflector** by **Killing Heidi** swap places this week, but both are still selling well enough to maintain their control of the top two positions. With their single **Say My Name** shooting from No.12 to No.3 this week, **Destiny's Child** confirm their status as an emerging act as their first chart album **The Writing's On The Wall** comes into the National albums chart in the No.9 spot.

No.3 NO STRINGS ATTACHED – *NSYNC. The five lads **James Lance 'Lansten' Bass**, **Joshua Scott 'JC' Chasez**, **Joseph 'Joey' Anthony Fatone Jr.**, **Christopher 'Chris' Alan Kirkpatrick** and **Justin Randall Timberlake** return to the charts with their second album, following their self titled debut (No.58 April 1999). The new album includes the single **Bye, Bye, Bye** which is currently at No.2 after holding the No.1 spot for the past five weeks. The Australian release of this album also includes three bonus tracks **I'll Never Stop**, **If Only In Heaven's Eyes** and **Could It Be You**.

No.9 THE WRITING'S ON THE WALL – Destiny's Child. This female R&B group enter the ARIA album charts for the first time with this, their second album. The album features guest spots from **Missy Elliot**, **Timbaland** and **Next** and includes the last two singles **Bills, Bills, Bills** (No.26 September 1999) and **Say My Name** (No.3 this week).

No.11 RETURN OF SATURN – No Doubt. Hailing from Anaheim, California, this former ska band enter the charts with their fourth album. Their first **Tragic Kingdom** (No.3 February 1997) has gone four times Platinum. Since then their albums **No Doubt** and **The Beacon Street Collection** haven't fared so well, staying outside the Top 100. The new album includes the singles **New** (No.89 June 1999) and **Ex-Girlfriend** (No.12 this week).

No.15 BEHIND THE SUN – Chicane. The man behind this dance outfit is **Nick Bracegirdle**, who has, according to his bio featured on 130 compilation albums. The new album follows **Far From The Madding Crowd**, released back in 1998 and includes the singles **Saltwater** (No.31 August 1988) and **Don't Give Up** (No.20 this week).

No.93 20 LOVE SONGS – The Howie Brothers. Identical twins **John** and **Graeme Howie** are the vocalists and driving force of this Australian country band (also the band **1901**), with **Bruce Green** on pedal steel guitar. They have sixteen albums to their credit, they have won three Golden Guitars, as well as the International Harmony Award, presented in Nashville Tennessee. Tracks included are **Maggie**, **Could I Have This Dance**, **I Love You Because** and **When I Dream**.
