THE ARIA REPORT

Chartifacts!

SINGLES – One week on and **Bardot** are still holding the No.1 spot even though the **Destiny's Child** single **Say My Name** has moved up from three to two. This week also sees a few bullets firing up the charts with **Pink** and **There You Go** moving from No.25 to No.19 and **Naughty By Nature's** track **Holiday** jumping from No.26 to No.15. Of the five new entries appearing in the chart only one of them (**Belle Perez** with **Hello World**) is a newcomer to our charts, all the rest are old timers when it comes to charting.

No.28 CRASH AND BURN – Savage Garden. It was four years ago that their first single **I Want You** entered the charts and peaked at No.4. This release makes it nine singles to chart, including **To The Moon And Back** (No.1 January 1997) and **The Animal Song** (No.3 March 1999). The new single is taken from the No.1 album **Affirmation** and features three tracks, two of which are remixes of the single, **I Knew I Loved You** (No.4 October 1999).

No.30 TWO IN A MILLION – S Club 7. The British television series keeps going and the tunes keep coming. This is the third single from their album **S Club** (No.17 February 2000), following **Bring It All Back** (No.3 November 1999) and **S Club Party** (No.2 February 2000).

No.56 HELLO WORLD – Belle Perez. This debut release is from a young Spanish girl who now lives in Belgium. According to her bio she was discovered singing at a local talent show but is more at home as part of a Spanish Flamenco troupe. The single includes 4 remixes and a video of **Hello World**.

No.77 I NEED YOU – LeAnn Rimes. Country singer LeAnn returns to the charts with her ninth single, which is from the soundtrack **Music From (And Inspired By) Jesus**. The single features three tracks, the title song, and **Jesus** by Patrick Williams plus **Spirit In The Sky** by DC Talk. Her highest single position reached was with **Blue**, which peaked at No.10 in July 1996.

No.98 MADE ME BAD – Korn. The latest release from these guys is the second single to be lifted (first being **Falling Away From Me** No.62 February 2000) from their double platinum No.1 album **Issues**. The single lists 7 tracks, six of which are remixes of the title track, and the seventh is a single mix of the album track **Dirty**.

ALBUMS - Although we have had nine re-entries this week, such as **Andrea Bocelli** with **Sogno** at No.44, we still only managed one brand new title in the top 100. One big mover this week is **The Seekers** album **The Historic 1968 BBC Farewell**, which dropped out of the top 100 from No.14. **Killing Hiedi's** album **Reflector** keeps the top slot for the second week, which is now their sixth week at No.1 after relinquishing it to **The Power** by **Vanessa Amorosi** for just one week.

No.11 THIS TIME AROUND – Hanson. The four young rockers return to the charts looking older, meaner, and ready to continue in a more rock oriented world. This album is now their fifth long player since the release of the No.1 debut album **Middle Of Nowhere** in 1997. Their chart action continued with the albums **Snowed In** (No.3 November 1997), **3 Car Garage** (No.3 May 1998) and **Live From Albertane** (No.21 November 1998). Their current and first single released from this album, **If Only** is currently at No.31 after peaking at No.9 four weeks ago.
