Chartifacts!

SINGLES – For the past three weeks the **Destiny Child** single *Say My Name* has been progressively moving into the No.1 spot on the State ARIA charts across the country. By last week the single was at the top of the chart down the East Coast and this week the rest of the country follows suit. In her fourth week in the top 10, **Melanie C** (aka **Sporty Spice**) moves to within one notch of her first solo No.1 with *Never Be The Same Again*. Meanwhile, **Leah Haywood** returns for a second shot at the top 10 (at No.9 with *We Think It's Love*), and **Pearl Jam** provide the top 10 with its only brand new title, *Nothing As It Seems*. It is the fifth of their six top 10 singles to have debuted in the top 10.

No.7 NOTHING AS IT SEEMS – **Pearl Jam**. Since 1992 **Eddie Vedder's** seminal "grunge" band have been producing top charting albums and a string of hit singles. Of their 17 Australian hit singles, this is their sixth to reach the top 10 and second in succession, coming less than a year after *Last Kiss* became their first ever Australian No.1 single (July 1999). Their latest hit is from the forthcoming album *Binaural*.

No.28 BENT – **Matchbox Twenty**. Sporting a minor namechange to go with their new album *Mad Season By Matchbox Twenty*, the band formerly known as **Matchbox 20** land their fifth Australian chart single. The first single from the album, *Bent* is their second highest charting single in this country behind *Push* (No.8 December 1997). Their last chart single *Real World* which peaked at No.40 in April 1998.

No.42 I TURN TO YOU – **Christina Aguilera**. Sitting on the verge of the US top 20 (No.21 this week), this is the third Australian chart single for the seasoned singer who is still only 19 years old. The two previous singles from her current album *Christina Aguilera* (No.33 this week after reaching No.26 in February) both reached the Australian top 5; *Genie In A Bottle* hitting No.2 last September followed by *What A Girl Wants* peaking at No.5 in January.

No.71 YOU SANG TO ME – **Marc Anthony**. This is the second Australian chart single for the 31 year old New York born Puerto Rican salsa star following *I Need To Know* (No.20 February). From his first English language album *Marc Anthony* (No.88 last week), the single is currently at No.13 and rising on the US Billboard Hot 100.

No.98 THE TIME IS NOW – **Moloko**. The English / Irish duo of producer **Mark Brydon** and vocalist **Róisín Murphy** (no prize for guessing which one is Irish) first charted in the UK back in 1996 but their big breakthrough came late last year with the single *Sing It Back* which reached the UK top 5. In Australia, *Sing It Back* was also a starting point for them, giving them their first chart single, reaching No.20 last October. Hitting No.2 in the UK back in March, this, their second Australian hit is, like their first, from the album *Things To Make And Do*.

ALBUMS - After the hype build up produced by **Bardot's** weekly television show *Popstars*, coupled with the hysteria generated around the release of their first single *Poison* a couple of weeks ago, the race to the top of this week's album chart ended up being a non-contest. The **Bardot** album is a clear victor in all states, easily accounting for **Destiny's Child** in the New South Wales and Victoria / Tasmanian charts, **Macy Gray** in Queensland, **Savage Garden** in South Australia / Northern Territory and **Killing Heidi** in Western Australia. With new releases by the likes of **Pearl Jam**, **Matchbox Twenty** and **Britney Spears** over the next couple of weeks, the Aussie girls may find it a little more difficult to maintain their top position.

No.1 BARDOT – **Bardot**. Well here it is, the album that **Belinda, Katie, Sally, Sophie and Tiffany** have been heading towards since the start of the *Popstars* television show. The album has twelve tracks, including the No.1 single *Poison*, and the track *These Days*, which is penned by **Phil Tormalny** who wrote **Natalie Imbruglia's** hit *Torn*.

No.14 THE HEAT – **Toni Braxton**. This female singer returns to the ARIA charts with her third album following her self titled debut (No.6 in May 1994), and her album called *Secrets* (No.11 February 1997). The latest single *He Wasn't Man Enough* is taken from this album and is currently at No.10 after hitting No.6 on debut last week.

No.30 SILVER & GOLD – **Nell Young**. We have seen this singer as a solo artist with hits like *Heart Of Gold*, and as part of the 70's group **Crosby, Still, Nash & Young**. His new album has been in the making for the past three years and includes ten original songs, eight of which were written for this project, and two, *Razor Love* and the title track date from 1982.

No.38 SAMPLE PEOPLE – **Soundtrack**. The bio calls this film "an urban up-beat thriller set over one long sweltering weekend". Starring **Ben Mendelsohn** and **Kylie Minogue** (who also contributes to the soundtrack with a cover version of the 1969 **Russell Morris** hit, *The Real Thing*), this album lists a massive collection of Australian music including **INXS** with *Don't Change* and **Grinspoon's** track *Take A Long Ride*.

No.63 SHADES OF PURPLE – **M2M**. The Norwegian duo **Marit Larsen** and **Marion Raven** release what is their debut into the ARIA album charts. Of the fourteen tracks on the album, both singles *Don't You Say You Love Me* (No.4 January 2000) and *Mirror Mirror* (No.37 this week) are included, as well as a bonus track called *Feeling Is Gone*.

No.81 COMPLETE GOLD COLLECTION – **Abba**. The Swedish super group are never far from our minds. In January this year we saw the all girl group **A*Teens** enter the charts with their remake of **Mamma Mia** (No.95), which was from the tribute stage show of the same name. This week a collection of just about all your favourite **Abba** songs is here. It includes *Dancing Queen*, *Money Money Money*, *Waterloo* and *Voulez-Vous* to name just four of the thirty-eight tracks on it.

No.82 LOOKING FOR ALIBRANDI – **Soundtrack**. The film tells a story of a 17 year old school girl's coming of age in an exclusive North Shore Sydney school. Directed by **Kate Woods** of **Raw FM** and **Wildside** fame, this film boasts a soundtrack of the rocking variety, with bands such as **Killing Heidi**, **Spiderbait**, **Frenzal Rhomb** and **Happyland**.

No.83 WHO NEEDS GUITAR ANYWAY? – **Alice DeeJay**. The vocals behind this dance outfit is **Judy a.k.a. Alice DeeJay**. She met the rest of the act whilst DJ'ing in Holland, and has, as the bio states; "never looked back". The album contains the group's two hit singles *Better Off Alone* (No.4 January 2000) and *Back In My Life* (No.19 March 2000).

No.85 ONE DAY AT A TIME – **Foster & Allen**. With Mother's Day just around the corner, the Irish duo release their latest album which features twenty tracks including *Morning Has Broken*, *Deck Of Cards*, *Rivers Of Babylon* and *At The End Of The Day*. The last time we saw these guys in the charts was with their best of album which peaked at No.29 in May 1999.
