Issue No: 534

Chartifacts!

SINGLES – Although their lead is being nibbled at (**Britney Spears** moves to No.1 in Queensland with ***Oops! I Did It Again*** and **Melanie C.** does the same in the Victoria / Tasmania chart with her hit ***Never Be The Same Again***), **Destiny's Child** maintain their position at the top of the national chart for the fourth consecutive week with ***Say My Name***. This places them in outright second place behind ***N Sync's** March / April hit ***Bye, Bye, Bye*** in the contest for the longest running No.1 of the year. Completing an all-female top 4 is ***Shine***, the debuting third single for **Vanessa Amorosi**.

No.4 SHINE – Vanessa Amorosi. With each of her three singles to date, this 18 year old singer from Melbourne has enjoyed successively better chart results. Her second top 10 single, this pop ballad follows ***Have A Look*** (No.13 August 1999) and ***Absolutely Everybody*** (No.6 December 1999), all of which are from her recent No.1 (and current No.4 album) ***The Power***. An animal lover, **Vanessa** is the owner of a menagerie that includes cats & rats & elephants (well, horses and a camel), but unfortunately no unicorns (but she's working on it)...

No.16 RIP IT UP – 28 Days. This is the third (and biggest) chart single for the hard working Melbourne band of **Jay, Simon, Damian** and **Scott**. The group who formed early in 1997, first charted with the ***Kid Indestructible EP*** (No.69 June 1999).

No.22 FREESTYLER – Bomfunk MC's. This song recently won an "Emma" award (the Finnish equivalent of the Grammys) as "Best Song Of The Year" for the dance duo of **Raymond Ebanks** and **DJ Gismo** from Helsinki, Finland. From an upcoming album tentatively titled ***In Stereo***, it is their second Australian chart entry following the minor hit ***Uprocking Beats*** which reached No.99 in March 1999.

No.25 JUDITH – A Perfect Circle. To get an idea of the musical style of this US five piece, it is sufficient to know that they have toured in support of **Nine Inch Nails**. Formed late last year, the band comprises **Maynard Keenan, Billy Howerdel, Troy Van Leeuwen, Paz Lenchantin** with either **Josh Freese** or **Tim "Herb" Alexander** on drums. Their album ***Mer De Noms*** (Sea Of Names) is out this week.

No.40 THONG SONG – Sisqo. Although shrouded in the mists of time, the real name of this member of the R & B act **Dru Hill** (three Australian hit singles in 1998 and 1999) is **Mark Andrews**. The song is an International hit, having reached No.3 in the UK back in April, while it is currently at that same position on the Billboard Hot 100.

No.41 ONE MORE TIME (THE SUNSHINE SONG) – Groove Terminator. Demonstrating the flush of new acts around at the moment, Adelaide born, but Sydney based **GT** is the only one of this week's six singles debutants to have charted more than two years ago. The first time Groove Terminator appeared on the chart was with ***Losing Ground*** (No.64 June 1998). Like his last hit ***Here Comes Another One*** (No.73 January), this, his third chart single is from his current album ***Road Kill*** (No.39 two weeks ago).

ALBUMS - For the fourth time this year an album makes its debut at the top of the chart. However, after hits by **Killing Heidi, Vanessa Amorosi** and **Bardot**, US Grunge pioneers **Pearl Jam** are the first foreign act to do so. ***Binaural*** is the fifth chart topping debut for the band, putting them in equal third place (with **Madonna**) behind **Jimmy Barnes** and **U2** (with six each) in terms of acts with the most chart topping debut albums in this Country. However, only one of the band's albums has managed to hold for a second week at No.1, that being ***No Code*** in March 1996. Two other albums also make their first chartfall within the top 10... **Britney Spears** coming into the chart at No.2 with ***Oops!... I Did It Again*** (giving us our first debuting quinella of the year) and the ***Mission Impossible 2*** **Soundtrack**. At No.10 it matches the peak position of the only other **Soundtrack** to reach the top 10 this year, ***The Beach*** a couple of months ago.

No.1 BINAURAL – Pearl Jam. The title of this album is a term which means the perception of sound by both ears. Now that you've had time to think about that, I can tell you that this is the Seattle band's seventh album since ***Ten*** peaked at No.14 in April 1992 and ***Vitalogy*** held the No.1 spot for one week back in December 1994. The new album is produced by **Tchad Blake** (**Crowded House** and **Sheryl Crow**) and is mixed by **Brendan O'Brien**. The single ***Nothing As It Seems***, which is currently at No.56 this week, peaked at No.7 two weeks ago.

No.2 OOPS!... I DID IT AGAIN – Britney Spears. Just over one year ago **Britney Spears** stormed into the charts with her debut album ***Baby One More Time***, which peaked at No.2 in July, and achieved a triple platimum accreditation. The new album is set to do the same, and may even make it to No.1. The latest single, which is the title track to the album, is currently at No.2 this week. There are fifteen tracks listed, one of which is a cover of the **Rolling Stones** hit ***(I Can't Get No) Satisfaction***.

No.10 MISSION IMPOSSIBLE 2 – Soundtrack. Taken from the 1960s (and subsequently the 1980s) television series of the same name, the original ***Mission Impossible*** movie was released four years ago, with its soundtrack peaking at No.21 in July 1996. This week we have the second installment, also filmed in Australia, in which **Tom Cruise** stars as **Ethan Hunt**. The soundtrack includes the **Foo Fighters, Tori Amos**, and two versions of the theme song, one by composer **Hans Zimmer** (**Gladiator**) and one by **Limp Bizkit**.

No.15 ROMEO MUST DIE – Soundtrack. Hong Kong kung-fu star **Jet Li** was a villian in the movie **Lethal Weapon 4**. He now has a starring role as **Han Sing**, a good Chinese cop fighting bad guys in yet another modern remake of **Romeo & Juliet** (with R & B singer **Aaliyah** co-starring in the "Juliet" role). The soundtrack features songs from **Aaliyah, Destiny's Child, Playa, Dave Hollister** and **Chante Moore**.

No.78 HOME – Sevendust. Hailing from Atlanta, **Lajon Witherspoon, Morgan Rose, Clint Lowery, John Connolly** and **Vinnie Hornsbey** achieve their ARIA album chart debut with their first Australian release (although they have a 1997 self titled release to their credit internationally). Produced by **Toby Wright** (**Korn**), this new album features the single ***Waffle*** (No.82 this week after debuting at No.79 last week) and **Skunk Anansie** singer **Skin** on vocals for the track ***Licking Cream***.

The ARIA Report is produced a minimum of fifty weeks each year and is only available by subscription.
Subscription rates are as follows - 52 Issues (12 Months) - $A300.00 26 Issues (6 Months) - $A175
