Chartifacts!

SINGLES – While both **Sisqo** (***Thong Song***) and **Bomfunk MC's** (***Freestyler***) move a step or two closer to the coveted No.1 position, they are yet to make a significant impression of the lead established last week by the debuting ***Who The Hell Are You*** by **Madison Avenue**. Complicating the developing situation even further is the arrival at No.6 this week of ***I'm Outta Love***, the debut hit by **Anastacia** and next week's hotly anticipated ***Spinning Around*** by **Kylie Minogue**. Stay tuned... it should be interesting!

No.6 I'M OUTTA LOVE – Anastacia. In contrast to most of the other female artists making their debut on this week's chart, **Anastacia Newkirk** is not a teenager! Born in New York, but now living in Los Angeles (via Chicago) Anastacia is oddly having a far greater impact with her first hit outside of the United States with top 15 positions in both the Canadian and European charts as well as here in Australia.

No.15 IT'S GONNA BE ME - *N Sync. After slipping quietly in and out of the ARIA chart three times in 1999, this five member group blew the Australian chart away in March when their fourth hit ***Bye Bye Bye*** made a spectacular debut in the No.1 position. Like ***Bye Bye Bye***, their latest hit is from their album ***No Strings Attached*** (No.32 this week after debuting at No.3 in April).

No.27 SO REAL – Mandy Moore. With her first hit ***Candy*** still on the chart (at No.53 after reaching No.2 in March), the 16 year old Florida native makes it two hits in a row with this, the title track from her forthcoming album.

No.30 I THINK I'M IN LOVE WITH YOU – Jessica Simpson. From the album ***Sweet Kisses*** (which spent a couple of weeks at No.67 back in March), this is the second hit for the 19 year old American singer who is due in Australia for a week long promotional trip at the end of this month.

No.36 LONESOME – Unwritten Law. The enigmatic Californian band of **Scott Russo, Rob Brewer, Steve Morris, Pat Kim** and **Wade Youman** reach the top 100 for the first time in Australia with this single. Last year the band reached No.16 on the ARIA Alternative chart with the EP ***Cailin***.

No.48 I WON'T LET GO – Real Blondes. Last year the Australian trio of **Kirsty Peters, Rachelle Medley** and **Kelly Webb** charted for the first time with the single ***We B Cool*** (No.67 September 1999). An inspired piece of marketing has teamed the photogenic teenagers with a new brand of perfume from the makers of Impulse.

No.49 TAKE A LOOK AROUND – Limp Bizkit. Since mid way through last year, **Fred Durst** and his band of noisy revellers have placed two albums and now four singles onto the Australian charts. In addition to which they have contributed significantly to the ***Family Values*** live albums and ***Woodstock '99***. Busy boys!

No.55 BLOW YA MIND – Lock 'n' Load. One of the biggest hits on the ARIA Club Chart so far this year, this is the first Australian hit for the Dutch production team of **DJ Francis** and **Nilz**. The song has also performed well in the UK (No.6 April) and across the European Continent.

No.57 ARABIAN PLEASURE – Mario Piu & Mauro Picotto. Like many of their compatriots, these two italian producers are well known in dance circles for their work on "other" artists' work. However, this is their first Australian top 100 hit in their own right. On the DJ based ARIA Club chart, it is the second top 10 hit for **Mario** following his novelty tune from earlier this year ***Communication (Somebody Answer The Phone)***.

No.59 THE ONE – Backstreet Boys. Over the past couple of years, **Nick, Kevin, AJ, Brian** and **Howie** have become an almost permanent feature on charts around the World with Australia being no exception. Their absence from the ARIA chart last week (with the exit of their top 20 hit ***Show Me The Meaning Of Being Lonely***) brought to an end a run of 57 consecutive weeks in the National top 100. How long will their next run be???

No.63 CALIFORNICATION – Red Hot Chili Peppers. This is the fourth single and title track of an album that is currently at No.7 after more than a year on the chart (and most of it - 41 weeks in the top 10). In addition to the title track, the single includes three live tracks, one of which, ***End Of Show*** was recorded in Brisbane in January.

No.86 I WANNA MMM... - The Lawyer. Here's something for all you dance fans buried in starchy jobs (whatever they may be)... Apparently, this German dance artist is the in-house Lawyer for the Record company that he is signed to as an artist! He has also been described elsewhere as "The **Mr. Bean** of dance". Intriguing (and even a little scary)! This is his first Australian hit.

No.91 LITTLE PIECE OF ME – Sugarlips. Formed last year in Melbourne, Sugarlips are the trio of **Darren Danielson, Zoran Romich** and **Leanne Kingwell**. This is the first hit for the band who are working with **Mike Shipley** (the mixer on **Shania Twain's** album ***Come On Over***) on their forthcoming album.

No.98 GET WICKED – Perfect Phase Presents Those 2. Although their name is marginally different, this is the same act that reached No.71 (in January) with the brassy dance hit ***Horny Horns*** under the shorter nom de plume **Perfect Phase**. Both hits are by the Dutch House duo of **Mac Zimms** and **The Freak**.

ALBUMS - Once again **Matchbox Twenty** have the strongest performer on the albums chart with their second album ***Mad Season By Matchbox Twenty*** retaining the top spot on every ARIA State except Western Australia where the ***Mission Impossible 2*** **Soundtrack** spends its third week at the top. The family act **S2S** provide the only new blood in the top 10 as their debut album ***One*** arrives just a whisker behind fellow Victorian artist **Vanessa Amorosi** whose album ***The Power*** holds at No.2 in its eleventh week on the chart.

No.3 ONE – S2S. Teenagers **Chris** and **Sharon Muscat** are probably pinching themselves and wondering if it is all real... In less than twelve months the Melbourne based sisters have had three Australian hit singles (two of which, ***Sister*** and ***What's A Girl To Do*** reached the top 5) as well as having their debut hit ***Sister*** chart in the UK top 20. All three of their hit singles are included on this, their debut album.

No.19 PUMP UP THE VALUUM – NOFX. An odd feature of this album is that it does not contain its title track. While this might not seem strange on the surface of things (many albums don't contain their title among their track listing), the fact in this case is that the song ***Pump Up The Valuum*** was one of the eight cut from the original 22 songs recorded for the album. It has instead been included on the compilation album ***Punk-O-Rama 5*** (No.9 on the ARIA Compilation chart this week). This is the third Australian chart album for the Californian punk band of **Eric Melvin, Fat Mike, Erik Sandlin** and **El Hefe** following ***Heavy Petting Zoo*** (No.57 February 1996) and ***So Long... And Thanks For All The Shoes*** (No.93 November 1997).

No.47 MERMAID AVENUE VOLUME II – Billy Bragg & Wilco. Two years ago this week, the unlikely combination of UK folkie **Billy** and the rockabilly band **Wilco** released an album of songs featuring their melodies and the lyrics of the late **Woody Guthrie**. The success of that album, ***Mermaid Avenue*** (which ultimately peaked at No.12 on the ARIA chart in April 1999) has led to the extension of the project to this second album. The title of both albums refers to the street in the New York locality of Coney Island where **Woody** lived and wrote in the years either side of the Second World War.

No.87 OPEN SESAME – Leonardo's Bride. This is the second chart album following ***Angel Blood*** (No.25 July 1997) for the Sydney quartet of **Abby Dobson, Dean Manning, Patrick Hyndes** and **Jon Howell**. Featuring the single ***Sonic*** and eleven other tracks, the album's release coincides with the band's national tour with **Tom Jones**.
