THE ARIA REPORT

Chartifacts!

SINGLES – Although *Thong Song* (Sisqo) and *I'm Outta Love* (Anastacia) hold the top positions in Australia's two largest States, New South Wales and Victoria respectively, the **Bomfunk Finns** are able to retain the National No.1 spot for a second week with *Freestyler* by retaining their ascendancy in the three other ARIA State charts. While **Vanessa Amorosi's** single *Shine* pops back to No.10 for its seventh week among the top 10 this week, the only first-timer in the list is *Shalala Lala* by the Mediterranean dance quartet **Vengaboys**. It is their third Australian top 10 single following a pair of platinum No.2 hits last year – *We Like To Party* in April and *Boom, Boom, Boom, Boom!* in August.

No.15 TRY AGAIN – **Aaliyah**. Although Detroit born R&B artist **Aaliyah Haughton** first hit the Australian charts in 1994 (spending a week at No.100 in October of that year with *Back & Forth*), this is only her third chart single here. However, her starring role in the hit movie *Romeo Must Die* added to the fact that this single is currently at No.2 in the US (having recently hit No.1 there) may be signalling that a more significant chart presence is looming.

No.73 BREAKOUT – **Foo Fighters**. It is five years since the first Foo Fighters hit *This Is A Call* climbed into the Australian top 10 (No.9 July 1995). Since then the Seattle band of **Dave Grohl**, **Pat Smear**, **Nate Mendel** and **William Goldsmith** have placed another eleven hits into the charts. From their current album *There Is Nothing Left To Lose* (No.5 November 1999), this is their third single this year following *Stacked Actors* (No.82 January) and *Generator* (No.31 May).

No.91 MEET VIRGINIA – **Train**. From their current self titled album, this is the first Australian hit for the San Francisco five man band of **Patrick Monahan**, **Rob Hotchkiss**, **Jimmy Stafford**, **Charlie Colin** and **Scott Underwood**. Categorising themselves as "Classic Rock with a modern twist", the band cite their influences as (among others) **Led Zeppelin**, **Neil Young** and the **Eagles**.

ALBUMS - Demonstrating the power of a well placed and executed television event, **Savage Garden** capitalise on last week's screening of their concert special with their five times platinum *Affirmation* album returning emphatically to the national No.1 position. It was last at the top for one week in May and before that four weeks last November and December. With all of its 37 chart weeks in the top 10, the Brisbane duo's second album is now approaching the chart proportions of their self titled debut which spent its first 40 weeks in the top 10 in 1997 and 1998. Now eleven times platinum, that first album (which returns to the chart at No.83 this week) ended up with a total of 47 weeks in the top 10.

No.43 THIRTEEN TALES FROM URBAN BOHEMIA – **The Dandy Warhols**. Featuring thirteen (gasp!) songs, this is the second chart album following *The Dandy Warhols Come Down* (No.91 April 1998) for the US Northwestern band comprising **Courtney Taylor-Taylor**, **Peter Holmstrom**, **Zia McCabe** and **Brent DeBoer**. An interesting feature of their career has been the disproportionate level of success that they have in the UK (where they have had three top 40 hit singles) compared to the rest of the World where only the single *Not If You Were The Last Junkie On Earth* achieved any significant chart impact (in Australia it reached No.47 in February 1998).

No.55 CLASSIC WILLIAMS – **ROMANCE OF THE GUITAR** – **John Williams**. There is not much that this Melbourne born classical guitarist hasn't achieved in his 59 years. Recognised as a child prodigy, he was tutored at an early age by **Andres Segovia**, he released his first recordings while he was still a teenager, he has played and recorded with artists and acts from across the musical spectrum, and in addition he has found time to become a "pop" star through the exploits of his "Classical" rock band **Sky**. Prominent in the long list of the people he has worked with are **Julian Bream**, **Jacqueline Du Pré**, **Mikis Theodorakis**, the **Academy Of St. Martin-In-The-Fields**, **Paco Peña**, **Inti-Illimani**, **George Martin**, **Cleo Laine**, **Simon Rattle**, the **Australian Chamber Orchestra** and even **Pete Townsend**! His work with **Sky** produced the international hit single *Toccata* (1980) as well as half a dozen significant chart albums through the 1980s. This is John's first chart album since June 1996 when his album *Mantis And The Moon* reached No.82 on the ARIA chart.
