SINGLES – Her promotional visit to Australia during the past week has taken US singer **Anastacia** to the verge of the national No.1 position with her first hit ***I'm Outta Love***. While **Bomfunk MCs** cling tenaciously to the top spot with ***Freestyler***, their lead over **Anastacia's** No.2 single has been narrowed to less than one percent... At the other end of the top 10, **Jessica Simpson** makes it two top 10s in a row as her second hit ***I Think I'm In Love With You*** climbs four spots to No.10 after her first, ***I Wanna Love You Forever*** peaked at No.9 back in February.

No.35 JUMPIN' JUMPIN' – Destiny's Child. A few months have passed since this Texan all girl quartet went through the upheaval of bringing **Farrah Franklin** and **Michelle Williams** into the group at the expense of two of the original members (**LeToya Luckett** and **LaTivia Roberson**), but it hasn't diminished their chart appeal as this, the current US No.13 song, becomes their fourth Australian hit. It follows their double platinum single ***Say My Name*** which hit No.1 here back in May.

No.56 NOTHING IN THIS WORLD – Taxiride. On the back of their singles and album success over the past twelve months, this Melbourne band are likely to feature prominently when this year's ARIA Award nominations are announced in the coming months. This is the fourth chart single from their debut album ***Imaginate*** (No.1 October 1999) following ***Get Set*** (No.8 July 1999), ***Everywhere You Go*** (No.15 October 1999) and ***Can You Feel*** (No.35 February 2000).

No.58 THIS TIME AROUND – Hanson. When they first hit the charts a little over three years ago (who could forget the No.1 debut of ***Mmmbop*** in May 1997) the **Hanson** brothers **Isaac** and **Taylor** were teenagers and **Zac** was only twelve years old. In the three years since, their singles have invariably found their way into the upper reaches of the chart with all six releases prior to this current single reaching Gold accreditation (or better) and all but one of them peaking in the national top 10. This is the title track and second single from their current album (No.11 April 2000) following ***If Only*** (No.9 March 2000).

No.76 JUST AROUND THE HILL – Sash! with Tina Cousins. This is the second time that German DJ **Sascha Lappessen** has enlisted English singer **Tina Cousins** to provide vocals on one of his singles. The first time was in 1998 when she was relatively unknown on the song ***Mysterious Times*** (No.67 November 1998). Since that time they have both broken through for their first Australian top 10 singles, **Tina** with ***Pray*** (No.8 February 2000) and **Sash!** with ***Adelante*** (No.4 April 2000).

No.88 DON'T YOU WORRY – Madasun. A UK top 20 hit earlier this year, this is the debut single for the English trio of **Vonda Barnes**, **Vicky Barratt** and **Abby Norman**, all of whom are in their early twenties. Less than a year after signing with V2 records, the girls have already gained the experience of support spots on the tours of **Boyzone**, **B*Witched**, **Five** and **Steps**.

No.94 WONDERFUL – Everclear. This is the first single from the Oregon trio's just released imaginatively titled new album ***Songs From An American Movie, Volume 1: Learning How To Smile***. This is their first hit in over two years, their last being ***So Much For The Afterglow*** which reached No.67 in April 1998.

No.96 THEY STOOD UP FOR LOVE – Live. A month shy of the sixth anniversary of their debut on the Australian singles chart with ***Selling The Drama*** (which peaked at No.49 in September 1994) **Ed Kowalczyk's** band are the veterans among this week's debutants (beating **Everclear** whose first hit came in 1995). They also fit the same bill in terms of number of chart singles, this being their tenth here in Australia compared to seven each for **Hanson**, **Sash!** and **Everclear**.

ALBUMS - Like this week's singles chart, the big news is at either end of the top 10. Hitting the top of both the New South Wales and Queensland charts (and top 4 everywhere else), **The Corrs** debut at No.1 nationally for the first time with their fourth album ***In Blue***. It is the eleventh album to appear at No.1 so far this year and the seventh to do so on debut. Meanwhile, also making its debut, in position No.10 is ***Not That Kind***, the first album for the New York born but US West Coast based singer **Anastacia**.

No.1 IN BLUE – The Corrs. Continuing the "precious metal" form of all of their previous long play releases, this Gold debut follows three platinum plus albums for siblings **Andrea**, **Caroline**, **Jim** and **Sharon Corr**. This is their second album to hit No.1 after the eight times platinum ***Forgiven, Not Forgotten*** (3 weeks in August and September 1996).

No.10 NOT THAT KIND – Anastacia. With her debut single ***I'm Outta Love*** firmly wedged at No. 2 for the third straight week, **Anastacia Newkirk's** album is also off to a flying start as it makes its first chart appearance at the foot of the national top 10. This album features a dozen tracks produced by the likes of **Sam Watters** (of **Color Me Badd**), **Louis Biancaniello** and the ***N Sync** songwriting team of **Evan Rogers** and **Carl Sturken**.

No.71 WE'LL KEEP A WELCOME (THE WELSH ALBUM) – Bryn Terfel. We've had sopranos, violinists and busloads of tenors on the ARIA charts over the years and with Bryn's first appearance in the ARIA Top 100 the list now includes bass-baritones. The 34 year old Welshman's recent Australian visit included performing in front of the 100,000+ crowd at the Bledisloe Cup Rugby match. While a newcomer to the 'pop' charts, Bryn has made regular appearances on the ARIA classical charts in recent years with albums such as ***Puccini: Opera Arias – Madame Butterfly*** (1997) and ***If Ever I Would Leave You*** (the music of **Alan Jay Lerner**) (1999) while his latest album is currently at No.4 on that chart.
