Chartifacts!

SINGLES - After three weeks at No.2, the most recent just a whisker behind No.1, **Anastacia** makes no mistake this week as *I'm Outta Love* takes over from **Freestylers** at the top of the chart. Interestingly, in terms of their positions on each of the ARIA state charts, neither title has moved from last week. However, as the ARIA charts are based on sales rather than the State chart positions, **Anastacia** prevails due having improved her sales relative to the **Bomfunk MC's** single. Two new singles enter this week's top 10, the reworking of *We Will Rock You* by the unlikely combination of **Five** and **Queen** which enters the top 100 at No.7 and *Jumpin' Jumpin'* moving up 25 spots to No.10, giving **Destiny's Child** their second straight top 10 following their May No.1 smash *Say My Name*.

No.7 WE WILL ROCK YOU - Five With Queen. This is the third time that **Queen** have charted with this song. It reached the top 10 when first released late in 1977 on the double-A vinyl *We Will Rock You / We Are The Champions* and re-emerged briefly in August 1992 (peaking at No.81). Counting re-charting entries, it is the tenth top 10 single for **Queen** over their 25 year career and the seventh in a little under two years for **Five**.

No.33 SHACKLES (PRAISE YOU) - Mary Mary. This Gospel / R&B single is the debut hit for the intensely righteous Californian sisters **Erica** and **Tina Atkins**. It is from their album *Thankful* which is due next month.

No.36 THEY'RE TRYIN' TO KILL ME - Tupac Shakur. It is now almost four years since the gang related murder of **2Pac** in Las Vegas (September 1996) but still the hits keep coming. All but one of the rapper's ten hits have charted posthumously, the exception being *California Love* which peaked at No.4 in April 1996.

No.37 TOO MANY TIMES - S2S. Following a couple of top 5 hits, *Sister* (No.3 last December) and *What's A Girl To Do?* (No.5 March 2000), this is the third single from the album *One* (No.3 last month) for **Sharon** and **Christine Muscat**.

No.38 I WANNA KNOW - Joe. From the album *My Name Is Joe* which reached No.43 a few weeks ago, this is the first Australian chart single for the Alabama born R&B performer **Joe Thomas** who has been recording since the early 1990s.

No.43 SANDSTORM - Darude. What's going on??? Until a few weeks ago, hit songs or artists from Finland were virtually unheard of in Australia, yet now we have two with this 24 year old dance artist from Turku, Finland joining the **Bomfunk MC's** in the top 50! The link between **Darude** (a.k.a. **Ville Virtanen**) and the **Bomfunkers** is more than geographical however, as both have been produced by **Jaako (JS16) Solaavaara**.

No.47 TRYING TO LIVE MY LIFE WITHOUT YOU - John Farnham. Within the next couple of weeks John will be releasing an album titled *33^{1/3}* marking the length of time (in years) that "The Voice" has been in the music industry. John's first single since *Every Time You Cry* (No.3 October 1997) is the first taste of that album.

No.54 MACHISMO E.P. - Gomez. From the album *Liquid Skin* (No.9 February 2000 and No.37 this week), this five track EP is the first Australian singles chart entry for the five man band from the Liverpool area of the UK.

No.56 HOLE IN YOUR ROOF - Augie March. Following *Waltz* (No.76 last November) this is the second hit single for the Victorian band of **Glenn Richards**, **Adam Donovan**, **Edmond Ammendola** and **David Williams**.

No.62 UGLY - Daphne & Celeste. Irreverent as ever, the New Jersey teen twosome follow their debut single *Ooh Stick You* (No.54 December 1999) with this similar pastiche of a 1985 **Fishbone** track.

No.68 WILL I EVER - Alice Deejay. The Dutch trio of **Judy**, **Mila** and **Yu-Tin** (but no Alice... Who the hell is Alice?) reach the Australian singles chart for the third this year following *Better Off Alone* (No.4 January) and *Back In My Life* (No.19 March). All three singles are from their album *Who Needs Guitars* (No.83 May).

No.70 MARIA MARIA - Santana. A former No.1 single on the US Billboard Hot 100, the third single from *Supernatural* (No.1 March 2000). Like its platinum predecessor *Smooth* (No.4 November 1999) this single once again sees the veteran act teaming up with younger contemporaries, this time **The Product G&B**.

No.90 ACID HEAD CRACKER - A*S*Y*S*. Labelled as Trance / techno / acid by those in the know, this was a recent top 40 entry on the ARIA Club chart. It is the first Australian hit for the German licenced act.

No.97 COMING HOME - The Mavis's. After four chart singles from their *Pink Pills* album (No.12 April 1998) including the Gold release *Cry* (No.13 April 1998), this is the first track from the Melbourne quintet's forthcoming third album *Rapture*.

ALBUMS - The top of this week's chart is turned on its head as four brand new albums debut in the top 10. Of the four, only the No.10 debutant **Richard Ashcroft** is not Australian... the other three are all locals, **Midnight Oil** coming in at No.7, **Slim Dusty** at No.5 and capping it all, **28 Days** enter at No.1 with their debut album *Upstyle Down*.

No.1 UPSTYLEDOWN - 28 Days. Months of full on touring and promotional work in the lead up to the release of this, the Melbourne band's debut album have paid off in a big way as it slams into the chart at No.1 everywhere except New South Wales. Anyone who has not yet caught the band live will have their opportunity through August as they once again head out around Australia on a national tour.

No.5 LOOKING FORWARD LOOKING BACK - Slim Dusty. Here it is... the landmark 100th album for the Country music legend who pre-dates the Australian music charts. It is a fitting and timely tribute to the magnitude of his achievements that this album is one of the biggest of his career and his first national top 10 entry since *No.50: The Golden Anniversary Album* in 1981.

No.7 THE REAL THING - Midnight Oil. With the exception of their first three albums, **Oils** albums have unfailingly reached the national top 10. This is their tenth straight to do so and ninth in a row to make the benchmark on debut. With the title track spending its third consecutive week at No.100 after peaking at No.48 last month, the album is their first since *Redneck Wonderland* (which also reached No.7) in July 1998.

No.10 ALONE WITH EVERYBODY - Richard Ashcroft. Richard's time with the UK band **The Verve** yielded two albums, one of which, *Urban Hymns* went triple platinum in Australia, hit No.9 in March 1998 (and spent almost two years on the chart). His first solo album features the singles *A Song For The Lovers* (No.59 April) and *Money To Burn*.

No.28 IT'S A PARTY - Hi-5. Aussie kids TV favourites **Charli**, **Kathleen**, **Kellie**, **Nathan** and **Tim** first charted last Christmas with *Jump And Jive With Hi-5* (No.33 December 1999). Their second album features another 24 tracks of the same fare, nine of which are also included karaoke style.

No.54 THE BEST OF BLACK SABBATH - Black Sabbath. Any band that has been around for more than 30 years is sure to have a wealth of material from which to cull a retrospective and **Sabbath** are no exception. Among the thirty three tracks on this collection are the band's biggest hit single *Paranoid* (1971) as well as *Sabbath Bloody Sabbath* and *Heaven And Hell*.

No.66 I WANNA BE WITH YOU - Mandy Moore. At an age when most of her peers are struggling with career path decisions, 16 year old Mandy appears to have hers mapped out. Her debut album contains both of her hits so far - the platinum hit *Candy* (No.2 in March) and *So Real* (No.21 last week).

No.69 JUST NO OTHER WAY - Coco Lee. Featuring both of her Australian chart singles to date *Do You Want My Love* (No.14 April 2000) and *Wherever You Go* (currently at No.29), this is the first Western hit album for the US based singer who has been dubbed by some as the "Mariah Carey of Asia".

No.70 THE MAN WHO IS AUSTRALIA - Slim Dusty. It's hard to imagine a bold claim such as this 5 CD box set's title being an understatement, but when put in the context of Slim's longevity and success at the forefront of Australian music it is difficult to disagree with its sentiment. The collection includes the CDs *Ramblin' Shoes (1953 - 1976)*, *Ramblin' Shoes Volume 2 (1980 - 2000)*, *From The Treasure Chest*, *Live In Concert* and *The Way I See It* (a series of interviews and recollections of his career) as well as a glossy 62 page booklet... Who could ask for more?

No.81 LIVE AT THE GREEK - Jimmy Page & The Black Crowes. A cursory glance at the schedule of performers appearing at the Greek Theatre in Los Angeles this year alone would reveal the likes of **Macy Gray**, **Neil Young**, **Trisha Yearwood**, **Counting Crows**, **Beck**, **The Isley Brothers**, **A Go Gos** and **B-52's** double bill... and the list goes on... It is no surprise therefore that sometimes those shows are recorded for posterity. One such notable occasion arose from **Neil Diamond's** visit in 1977 which was to become the top 10 album *Love At The Greek*. Recorded last October, this latest double CD features 20 tracks, of which 14 are **Led Zeppelin** covers.

No.84 BLACK DIAMOND - Angie Stone. Featuring the single *No More Rain (In This Cloud)*, this is the debut solo release for the former lead singer of the R&B group **Vertical Hold**.

Eligibility for these charts is determined by a panel of alternative genre specialists from across the industry... including retailers, wholesalers and print, radio and television media.

Titles become ineligible for this chart once they reach ARIA Gold accreditation or higher.

WEEK COMMENCING 24TH JULY 2000

Hit Seekers is a chart of current product from acts who have never reached the top 50 on the respective national ARIA singles and albums charts. Positions for this chart are determined from ARIA's weekly national chart surveys.
