SINGLES – For the third week in a row the tussle for the top of the Australian singles chart is a "two horse race" between ***I'm Outta Love*** by **Anastacia** and ***Freestyler*** by **Bomfunk MC's**. Once again, the two titles are separated by less than 4% with the next challenger, **Sisqo's *Thong Song*** a further 30% behind. Despite continuing internal upheaval which has seen yet another personnel change in their group, the hottest title in this week's top 10 belongs to **Destiny's Child** with ***Jumpin' Jumpin'*** doing just that and leaping from No.10 into the No.4 spot.

No.19 LIFE IS A ROLLERCOASTER – Ronan Keating. From his imminent album ***Ronan***, this recent UK No.1 single is the Irishman's second solo hit following ***When You Say Nothing At All*** (No.3 August 1999). Ronan's chart entries are alternating between his solo and group careers with his prior appearance to this one being with the **Boyzone** hit ***Baby Can I Hold You*** (No.56 December 1999).

No.24 ORDINARY GIRL – Jackson Mendoza. The second chart excursion for the Melbourne sister act of **Natalie** and **Rebecca Jackson Mendoza** begins its chart life where their first left off... Their debut single ***Venus Or Mars*** peaked in the No.24 position last November.

No.49 THE HOLLOW – A Perfect Circle. This is the second single from the current TV advertised album ***Mer De Noms*** (No.2 May 2000 and currently climbing again at No.18) for the band fronted by sometime **Tool** member **Maynard James Keenan**. It follows the hit ***Judith*** (No.25 May 2000) which is also deriving positive energy from the TV campaign, returning to the top 100 at No.79 this week.

No.59 NO ORDINARY MORNING – Chicane. After several years of moderate success overseas and almost total obscurity downunder (outside of the local dance community), **Nick Bracegirdle** had his first taste of Australian chart action one year ago when ***Saltwater*** climbed to No.31 on the ARIA chart (August 1999). For his next single he enlisted **Bryan Adams** and became a household name. ***Don't Give Up*** went gold and reached No.6 in May . All three of his Australian chart singles are from the album ***Behind The Sun*** which is currently at No.68 after debuting at No.15 back in May.

No.93 TALK – Pretty Violet Stain. This single debuts at No.26 in Queensland this week and there's a good reason for it... the quartet of **Shane Nicholson**, **Nathan Lockwood**, **Scott Rutherford** and **Brad Taylor** are all from Brisbane. Following the EP ***If The Money's Right***, their first chart single is from their forthcoming debut album ***Parachutes And Gravity***.

ALBUMS - Three mature albums take centre stage in this week's top 10. In its 62nd week on the top 100 (and 26th in the top 10) **Moby's** double platinum ***Play*** album slides back for its second appearance in the No.1 position, five months after it made its first in the last week of February. Meanwhile, holding in the No.6 position in its 40th consecutive week in the top 10 is the ***Affirmation*** album by **Savage Garden**. This is noteworthy because it marks a feat that is not often achieved... the Queensland duo have followed a smash debut with an equally significant second album. Through 1997 and into 1998, their self titled debut album also spent its first 40 chart weeks in the top 10 before ultimately racking up a total of 47 weeks in the top 10. That first album is now eleven times platinum while the second is currently sitting on six times. It remains to be seen how many more similarities the albums will establish in due course. Finally, another former No.1 album, ***Californication*** by **Red Hot Chili Peppers** slides back from No.12 to No.9 for its 46th week among the top 10 in four runs. In its 60 weeks among the top 100, the album has not fallen below the No.21 position...

No.11 FRAGMENTS OF FREEDOM – Morcheeba. This is the third album for the UK "trip-hop" trio of **Skye Edwards** and the **Godfrey** brothers **Paul** and **Ross**. It is by far their strongest chart performance to date in Australia, surpassing the No.67 peak (October 1998) of their only other chart entry, ***Big Calm***.

No.29 IN STEREO – Bomfunk MC's. The Finnish duo reach the Australian albums chart for the first time with this 15 track release which includes both their smash hit single ***Freestyler*** (which is still powering along at No.2 after holding the top spot for the first three weeks of this month) and a couple of versions of their first chart single ***Uprocking Beats*** (No.99 March 1999).

No.31 SONGS FROM AN AMERICAN MOVIE, VOLUME ONE: LEARNING HOW TO SMILE – Everclear. With its lead out single ***Wonderful*** reaching the Australian top 40 this week (No.38), the US West Coast trio of **Art Alexakis**, **Greg Eklund** and **Craig Montoya** jump into the chart with their third album. Critically well received, the album follows ***Sparkle And Fade*** (No.9 October 1996) and ***So Much For The Afterglow*** (No.19 October 1997).

No.42 NUTTY PROFESSOR II – Soundtrack. The second instalment of the comedy starring **Eddie Murphy**, **Eddie Murphy**, **Janet Jackson** and **Eddie Murphy** (among others) features a solid R&B soundtrack with tracks from **Jay-Z**, **Foxy Brown**, **R. Kelly**, **Method Man**, **DMX**, **Montell Jordan** and **Redman**. Also prominent on the album is the hit single ***Thong Song*** by **Sisqo** (No.2 June) and the US hit and brand new single from **Janet Jackson**, ***Doesn't Really Matter***.

No.65 ERA 11 – Era. Likened to **Deep Forest** and **Enigma**, Era is the musical project of Frenchman **Eric Levi**. His second album makes its way onto the chart almost three years after his first (titled ***Era***) reached No.53 in Australia (November 1997).

No.94 BREATHE – Faith Hill. Like **Shania Twain** has so successfully done in recent times, Faith is winning fans on both sides of the pop / country fence. With its title track climbing to a new peak of No.27 this week, the album which was originally released (in a country format) late last year finally sees the charts courtesy of the more mainstream version which was issued in May. It is Faith's second Australian chart album following ***Love Will Always Win*** which reached No.20 in April 1999.

Eligibility for these charts is determined by a panel of alternative genre specialists from across the industry... including retailers, wholesalers and print, radio and television media.
Titles become ineligible for this chart once they reach ARIA Gold accreditation or higher.

ariaNET Hitseekers!

WEEK COMMENCING 31ST JULY 2000

Hit Seekers is a chart of current product from acts who have never reached the top 50 on the respective national ARIA singles and albums charts. Positions for this chart are determined from ARIA's weekly national chart surveys.
