THE ARIA REPORT

Chartifacts!

SINGLES – Finally sitting at No.1 on all five State charts, the **Anastacia** single *I'm Outta Love* is the Nation's top single for the third straight week. However, it now faces the challenge of denying **Destiny's Child** their second consecutive chart topper as their latest single *Jumpin'* climbs into the No.2 spot.

No.18 ROCK DJ – Robbie Williams. Robbie's tally of Australian hit singles now stands at 16, the first nine with **Take That** between 1993 and 1996 and his last seven solo. Four of his **Take That** singles reached the top 20 while this is his third solo hit to do so and his biggest chart entry since his solo debut with *Freedom '96* (No.6 August 1996). Robbie was in Australia last week on the promotional trail for this release.

No.33 LAST ONE STANDING – Girl Thing. Sounding like a cross between **Abba** and the **Spice Girls**, this is the first hit for the UK based group comprising a 19 year old Dutch girl, **Anika Bostelaar** and her four English friends 17 year old **Jodi Albert**, 21 year old **Michelle Barber**, 19 year old **Lindsay Martin** and 21 year old **Nicola Stuart**.

No.34 YOU SEE THE TROUBLE WITH ME – Black Legend. You see the trouble with this song was that in its original bootleg form it featured unauthorised samples of the voice of Mr. **Love Unlimited** himself, **Barry White**. When permission to licence the sample was not received, the Italian producers of the track, **Lisa Millet**, **Ciro Sasso** and **Enrico Ferrari** had to come up with an alternate vocalist. In stepped UK reggae singer **Elroy "Spoonface" Powell** and the single duly debuted at No.1 in the UK (June 2000). It is the act's first Australian hit.

No.46 ROME WASN'T BUILT IN A DAY – Morcheeba. With their current album *Fragments Of Freedom* slipping from its debut position of No.11 down to No.14 this week, this is the first Australian chart single for the UK trio.

No.80 FOOTYANA – Austen Tayshus. The comedian responsible for the biggest hit single of 1983 in this country with the pun laden smash *Australiana* (No.1 August – October 1983) is back on the chart for the first time in more than a decade. The last chart appearance for Austin (a.k.a. **Sandy Gutman**) was early in 1988 when *Highway Corroboree* reached the No.43 position. The debut of his sport related fourth hit single coincides with this year's early commencement of the finals in both the Rugby League and Australian Rules football codes.

No.88 NEW BEGINNING – Stephen Gateley. As a member of **Boyzone**, Stephen reached the top 100 on the Australian singles chart seven times between 1996 (*Love Me For A Reason*, No.48 June) and 1999 (*Baby Can I Hold You*, No.56 December). Meanwhile, Stephen's **Boyzone** bandmate **Ronan Keating** moves up another four places this week to No.15 with his current hit single *Life Is A Rollercoaster*.

ALBUMS - This week's albums chart once again sees **Moby** in control at the summit with his album *Play*. The value of proximity is quite evident, with both **Moby** and the No.2 artist **Anastacia** having recently been in Australia on promotional visits and the act with the No.3 album, **The Corrs**, still in the country this week. The big mover on this week's chart is the children's album *It's A Party* by the Australian television act **Hi-5** which has moved from No.28 to No.16 to No.4 in its three weeks on the chart.

No.22 AKIMBO – Friendly. Fresh from a tour supporting **Regurgitator**, the Australian electronic music maestro is now back out on the road doing his own national tour in support of this, his debut album. The album includes all three of Friendly's chart singles to date, *Some Kind Of Love Song* (No.45 September 1999), *My Mother Was A DJ* (No.89 March 2000) and *I Love You But...* (No.42 last month).

No.24 DARK HORSES – Tex Perkins. The ooh so cool Mr. Perkins has been a fixture of the Australian aural consciousness since the early 1990s having worked with the likes of **Nick Cave**, **The Beasts Of Bourbon** and perhaps most notably, the ARIA Award winning **The Cruel Sea**. After strolling out with **Charlie Owen** and **Don Walker** on the album *Sad But True* (No.40 February 1994), Tex has released three solo albums with this, his latest album being preceded by *Monday Morning Coming Down* (No.96 March 1995) and *Far Be It From Me* (No.43 August 1996).

No.52 WHITE LADDER – David Gray. This is the fourth album for the 30 year old singer / songwriter who was born in Manchester, raised in Wales and now lives in London. His previous releases have been *A Century Ends* (1993), *Flesh* (1994) and *Sell, Sell, Sell* (1996).

No.53 3 FOR ONE – Moby. Following his recent week long whip around tour of Australia, the country is finally catching on to the man behind the current No.1 album *Play*. This triple CD release offers three of his earlier albums, *Everything Is Wrong* (1995), *Animal Rights* (1996) and *I Like To Score* (1997) giving them belated chart recognition in this country.

No.74 RANCID – Rancid. This is the second eponymous album for the punk band out of Berkeley, California following their 1993 debut long play. It is their third chart album in Australia following *And Out Come The Wolves* (No.30 February 1996) and *Life Won't Wait* (No.41 July 1998).

No.90 OVO Peter Gabriel. Former member of **Genesis** and current Record industry mogul (with his own World Music label **Real World**), Peter has been hitting the Australian charts as a solo artist since 1977. Featuring a host of guest performers, his latest project (this album) was conceived as a concept piece (tracing the evolution of mankind) for performance in London's Millennium Dome.
