SINGLES – At No.1 for the fifth straight week, **Anastacia's** double platinum smash *I'm Outta Love* equals *Bye Bye Bye* by ***N Sync** as the longest running chart topper of the year so far. The last single to remain at No.1 for more than five weeks was *Blue (Da Ba Dee)* by **Eiffel 65** which blitzed the chart for nine weeks from November 1999 through the first week of this year. Three new singles enter this week's top 10... Topping the list is the brisbane band **Powderfinger** which explodes into the top 100 at No.4 with it's first ever national top 10 hit single *My Happiness*; Leaping from No.20 to No.6 is *Lucky*, the fourth top 10 single for **Britney Spears** (and second from her current album) and making a slightly less rapid (but still respectable) ascent from No.13 to No.8 is *Life Is A Rollercoaster*, the second straight solo top 10 for **Ronan Keating**.

No.4 MY HAPPINESS – Powderfinger. The first single from the forthcoming album *Odyssey Number Five*, this is the ninth and biggest Australian chart hit for the Brisbane five piece of **Bernard Fanning, Darren Middleton, Ian Haug, John Collins and Jon Coghill**. Prior to this week, their highest singles chart appearance was the No.23 peak of *Pick You Up* in June 1996.

No.20 UNLEASH THE DRAGON – Sisqo. This single has been released in two formats, one of which is an Australian exclusive and features a bonus tattoo and screensaver. In addition to the title track, both versions also include alternate versions of the R&B artist's previous singles *Got To Get It* (No.82 February 2000) and *Thong Song* (No.2 June 2000).

No.22 FILL ME IN – Craig David. Like the album from which it comes (this week's UK No.1 debuting *Born To Do It*) this single has been to the top of the UK chart (back in April). If this 19 year old R&B singer's first Australian hit sounds somewhat familiar, it may be that you recognise his voice as that on the recent No.62 Australian hit *Re-Rewind - The Crowd Say Bo Selecta* by **The Artful Dodger** (June).

No.31 CRAZY – Leah Haywood. This is the second chart single for the Perth born singer / songwriter (now based in Sydney) who turned 24 years old just over a week ago (August '16). It follows the gold accredited top 10 release *We Think It's Love* (No.7 April 2000).

No.33 MAKE YOU FEEL – Sunk Loto. Produced by ARIA Award winning Engineer **Paul McKercher**, this is the second chart single for the quartet from Queensland's Gold Coast. Their first hit *Society Anxiety* peaked at No.40 last December.

No.58 GOODBYE – 28 Days. Barely five weeks after their debut album *Upstyle Down* came hurtling into the ARIA chart at No.1 (July 24), the Melbourne noise mercenaries are back in the thick of things with their fourth chart single charting before their third, *Rip It Up* (No.12 June 2000) has even left the top 20 (it is at No.18 this week).

No.59 ABSOLUTELY (STORY OF A GIRL) – Nine Days. From the forthcoming album *Madding Crowd*, this US top 10 single is the first Australian hit for the New York (Long Island) based band of **John Hampson, Brian Desveaux, Nick Dimichino, Jeremy Dean and Vincent Tattaneli**.

No.65 BUMBLE BEES – Aqua. This is the third single from **Aquarius** (No.15 March 2000) and eighth in total for the Danish ditty-pop band comprising **Lene Nyström, René Dif, Søren Rasted and Claus Norreen**.

No.69 TASTE IN MEN – Placebo. The UK trio lead by the androgynous **Brian Molko** are yet to have a top 40 single in Australia, but they've come close... Their three previous chart singles all reached the top 60 with *Every You Every Me* coming closest, peaking at No.46 in May 1999.

No.83 PACIFIER – Shihad. This is the second Australian chart single for the expat Kiwi band of **Jon Toogood, Tom Larkin, Phil Knight and Karl Kippenberger** following *My Mind's Sedate* which spent a week on the chart at No.90 last September.

No.92 SUNDOWN – Elwood. In the winter of 1974, the original version of this song became the biggest Australian hit in the career of Canadian singer / songwriter **Gordon Lightfoot**, reaching the Australian top 5. This unlikely rap version of the song is the first hit for the New Jersey based **Prince Elwood Strickland III**.

No.94 I DO – Blaque Ivory. At this time last year, the R&B trio comprising **Brandi, Natina and Shamari** were on the Australian chart for the first time with their single *808* (No.68 August 1999). This is the second single from their self titled debut album which is due for release early next month.

ALBUMS – The only artist to have had Australian No.1 hits (either albums or singles) in every decade since the 1960s, **John Farnham** maintains a slightly diminished (but still convincing) lead over the rest of the albums chart with *33 1/3* which is now in its second week on the chart. **Ronan Keating** lands the only new album in the top 10 this week as his first solo outing, *Ronan* steals up one spot from No.11 to No.10 in its second week on the chart.

No.32 ART OFFICIAL INTELLIGENCE: MOSAIC THUMP – De La Soul. Although they've been around for well over a decade now (the trio of **Kelvin "Posdnous" Mercer, Dave Joliceur and Vincent "Maseo" Mason** formed in 1985), this is only their second Australian chart album following *De La Soul Is Dead* (No.12 July 1991). Featuring the single *Oooh* (No.91 this week), this album (which entered the Billboard US top 200 at No.9 this week) includes contributions from a number of significant R&B acts including **Busta Rhymes, Chaka Khan, Redman and the Beastie Boys**.

No.60 2020 – B(If) Tek. Featuring a screen saver, web browser and other interactive bits & pieces as well as a baker's dozen songs including the hit *Wired For Sound* (No.82 May 2000), this is the first chart album for the futuristic (hence the title) techno duo of **Nicole Skeltys and Kate Crawford**. Originally from Canberra, but now living in Melbourne and Sydney respectively, the duo have been given the tongue in cheek name the **Space Girls** by some for their "other-worldly" concepts.

No.66 EVERYTHING YOU WANT – Vertical Horizon. Recorded in 1998 and released in the US last year, this is the first albums chart appearance in Australia for the US East Coast quartet of **Keith Kane, Matt Scannell, Sean Hurley and Ed Toth**. The album contains eleven songs including the former US No.1 title track which continues its steady (albeit slow) progress up the ARIA singles chart this week, rising one position for the second week in a row to now sit at No.26 in its eighth week on the top 100.

No.100 THANKFUL – Mary Mary. Produced by **Warryn Campbell**, this collection of gospel / R&B tunes marks the album chart debut for sisters **Erica and Tina Adkins** from Inglewood, California. It contains the song *Shackles (Praise You)* which ascends another 10 spots heavenward to No.15 on the ARIA singles chart this week.

Eligibility for these charts is determined by a panel of alternative genre specialists from across the industry... including retailers, wholesalers and print, radio and television media.

Titles become ineligible for this chart once they reach ARIA Gold accreditation or higher.

WEEK COMMENCING 21ST AUGUST 2000

Hit Seekers is a chart of current product from acts who have never reached the top 50 on the respective national ARIA singles and albums charts. Positions for this chart are determined from ARIA's weekly national chart surveys.
