AUSTRALIAN RECORD INDUSTRY ASSOCIATION

THE ARIA REPORT

Chartifacts!

SINGLES – What a year 2000 has been for high flying debut singles... and there's still four months to go! In the 17 years of ARIA charts only 16 singles have been able to debut at No.1 and this week's debut of *Music* by **Madonna** is the sixth of them to have occurred in the past six months! It was **Madonna's** previous single *American Pie* that started the ball rolling on the chart of the 6th of March. For the record, Madonna is only the third act to have debuted at No.1 on the ARIA singles chart twice (after **U2** and **Kylie Minogue**) and the first to do so with consecutive releases. *Music* is one of four new titles in this week's top 10. **Madonna's** 33rd Australian top 10 single shares the newcomer limelight with **Shackles (Praise You)**, the first top 10 single for **Mary Mary**; *Say It Isn't So*, the tenth top 10 for **Bon Jovi** (but only the second after *This Ain't A Love Song* in June 1995 to reach the top 10 on debut) and *Rock DJ* by **Robbie Williams**, his second as a solo artist after *Freedom '96* (No.6 August 1996).

No.1 MUSIC – Madonna. The No.1 debuting single in both the UK and Australia this week, **Madonna's** eighth Australian No.1 single has been released in two different CD formats containing more mixes than you can poke a stick at, while fans looking for the music video or a screensaver will find that on one of the CDs.

No.9 SAY IT ISN'T SO – Bon Jovi. While their total of 25 chart singles suffers in comparison to **Madonna's** total of 52, the New Jersey rockers are nevertheless one of the heavyweight chart acts of the past fifteen years. Since making their Australian chart debut in late 1986 this is their tenth top 10 single and second this year following *It's My Life* (No.5 June).

No.16 I TURN TO YOU – Melanie C. The No.1 single in the UK a couple of weeks ago, this is the fourth Australian solo hit for **Sporty Spice** and the immediate follow-up to her platinum No.2 smash *Never Be The Same Again* (No.2 May 2000). All four hits are from her album *Northern Star* (No.32 October 1999).

No.50 HEMORRHAGE (IN MY HANDS) – Fuel. The main claim to fame of this Pennsylvania rock quartet in the eyes of Australian chart watchers would undoubtedly be the 57 weeks that they spent on the ARIA top 100 with their first single *Shimmer / Sunburn* (No.16 August 1999). Their third chart single is the first from their forthcoming new album *Something Like Human*.

No.59 FRONTIER PSYCHIATRIST – The Avalanches. Reputedly changing their name for every gig, this manic Melbourne dance act had called themselves The Avalanches for the gig on the fateful day on which they were signed and so it stuck! Their first chart single is from the album *Since I Left You* which will be released early next year.

No.61 THE SUMMER – ATB. This is the fourth chart single in a little more than a year for ATB following *9PM (Till I Come)* (No.10 June 1999), *Don't Stop* (No.11 November 1999) and *Killer 2000* (No.33 March 2000). Although the album itself didn't chart, all three hits were from the album *Movin' Melodies*.

No.64 LIGHT YEARS – Pearl Jam. The second single from the No.1 album *Binaural* (May 2000) after *Nothing As It Seems* (No.7 May 2000), this is the eighteenth chart single in just over eight years for the rock band from Seattle.

No.69 THE WINNER IS... 2000 – Southend. In the euphoria following the 1993 awarding of the Olympic games to "Sydney", DJ **Nik Fish** got together with the dance outfit comprising **Stuart McCarthy**, **Melinda Page**, **Steve Younan**, **Sameer Sen-Gupta** and **Justin Frew** and (with a little help from **Juan Antonio Samaranch**) produced the classic anthem *The Winner Is...* (No.9 July 1994). With the famed event now upon us, the crew have returned to the studio to produce this collection of updated mixes for a second tilt at the chart.

No.70 RESPONSIBILITY – MXPX. Formed in 1993, the Washington state trio of **Mike Herrera**, **Tom Wisniewski** and **Yuri Ruley** have been described as "Christian themed punk..." ...an interesting concept!! Their first Australian top 100 single is from the album *Ever Passing Moment* which hit No.81 in June.

No.75 HIGHER & HIGHER – DJ Jurgen. In January this year, the dance act **Alice DeeJay** swept up to No.4 on the ARIA singles chart with the tune *Better Off Alone*. Almost unnoticed on that track was a credit to this otherwise unknown 33 year old DJ and producer from the Dutch town of Delft (near the Hague). This is his first Australian hit in his own right.

No.84 SING-A-LONG – Shanks And Bigfoot. Almost exactly one year ago (the week of August 23rd 1999) this English production duo were cresting at No.6 on the Australian chart with their first hit *Sweet Like Chocolate*. This, their second hit reached No.12 in the UK last month.

ALBUMS – In contrast to the frenetic activity at the top of this week's singles chart, **John Farnham's** album *33 1/3* presides over a very placid top 10 albums chart where the only album to move more than one position is *The Power* by **Vanessa Amorosi** which slips two spots to No.10 in its 21st chart week.

No.19 HOW IT WORKS – Bodyjar. With their double A single *Fall To The Ground / Not The Same* currently at No.72 after entering the chart at No.56 a couple of weeks ago, this is the debut chart album for the Victorian rock quartet of **Cam Baines**, **Tom Read**, **Grant Relf** and **Ross Hetherington**.

No.56 THE MIRROR CONSPIRACY – Thievery Corporation. Described as producing dance music that sits somewhere between trip-hop and acid jazz, the Washington D.C. duo of **Eric Hilton** and **Rob Garza** have been plying their trade together since 1994, releasing a couple of US albums along the way. However, this is their first Australian chart entry.

No.59 HIGH FIDELITY – Soundtrack. A romantic comedy set in a struggling record store should have no trouble in producing a respectable soundtrack album. Based on a story by **Nick Hornby**, this Disney movie stars **John Cusack** and **Catherine Zeta-Jones** and its soundtrack contains a mix of fifteen new and old tracks by the likes of **Velvet Underground**, **Bob Dylan**, **Stevie Wonder**, **Elvis Costello & The Attractions**, **Stereolab**, **Smog** and the **Kinks**.

No.66 THE ULTIMATE COLLECTION – Santana. With this veteran band being a hot sales item at the moment courtesy of their grammy winning quadruple platinum album *Supernatural* (No.1 March 2000), comes this 40 track retrospective featuring many of the hit songs on which the group built its career such as *Evil Ways*, *Black Magic Woman*, *Oye Como Va*, *She's Not There*, *Well Alright* and *Winning*.

No.81 PARACHUTES – Coldplay. Making their debut at No.1 on the UK albums chart with this title just over a month ago, the quartet of **Chris Martin**, **Jonny Buckland**, **Guy Berryman** and **Will Champion** are being widely lauded as the next big new thing to come from the Mother Country.

No.98 R – Queens Of The Stone Age. The genesis of this rock band lies in the now defunct **Kyuss** (2 chart albums in the mid 1990s) with members **Joshua Homme**, **Nick Oliveri** and **Alfredo Hernandez** all having been **Kyuss** members. **Hernandez** has subsequently moved on, to be replaced by alternating members, **Nicky Lucero** and **Gene Troutman** while another newcomer **Dave Catching** completes the regular line-up. This album, which also features a phone book full of guest musos is their first Australian hit.

The ARIA Report is produced a minimum of fifty weeks each year and is only available by subscription.

Subscription rates are as follows -

52 Issues (12 Months) - \$A300.00

26 Issues (6 Months) - \$A175

Eligibility for these charts is determined by a panel of alternative genre specialists from across the industry... including retailers, wholesalers and print, radio and television media.

Titles become ineligible for this chart once they reach ARIA Gold accreditation or higher.

WEEK COMMENCING 28TH AUGUST 2000

Hit Seekers is a chart of current product from acts who have never reached the top 50 on the respective national ARIA singles and albums charts. Positions for this chart are determined from ARIA's weekly national chart surveys.
