THE ARIA REPORT

Chartifacts!

SINGLES - No surprises at the top of this week's chart as **Madonna's** eighth Australian No.1 single **Music** holds comfortably at the top for its second week. The most significant mover in the top 10 being **Rock DJ** by **Robbie Williams** which is up four to the No.6 spot.

No.19 THESE DAYS - **Bardot**. Despite the absence of the hype and hysteria that accompanied their television show germination, Bardot's third chart single still manages a credible top 20 debut just six spots below the peak of their last hit **I Should've Never Let You Go** (June 2000).

No.21 MOST GIRLS - **Pink**. Three months ago **Alecia Moore** (aka **Pink**) was sitting at No.2 on the Australian chart with her debut single **There You Go**. Written by **Babyface**, her second chart single is, like her first, from the album **Can't Take Me Home** which rebounds to No.47 this week after climbing as high as No.43 last month.

No.27 OUT OF YOUR MIND - **True Steppers** and **Dane Bowers** featuring **Victoria Beckham**. A few weeks ago, this single caused a sensation in the UK - by NOT debuting in the No.1 position! With the combined clout of **Posh Spice** and **Dane** (from the boy band **Another Level**) behind the True Stepper pair of DJs **Andy Lysandrou** and **Jonny L**, this single was widely expected to "romp it in". However, on the day it had to settle for No.2 behind an Ibiza dance fave, **Groove Jet** by **Spiller**.

No.32 B-BOYS & FLY GIRLS - **Bomfunk MC's**. The Finnish duo of **DJ Gismo** and **Raymond Ebanks** have two singles in the national top 40 this week as this, the third hit from **In Stereo** album (No.25 last month) joins their recent No.1 **Freestyler** (July) which is currently in the No.24 position.

No.66 SOUR GIRL - **Stone Temple Pilots**. Dogged by drug related problems over the past few years, this Californian band have struggled to replicate their success of the early 1990s when they landed half a dozen chart singles in less than three years. The second single from **No.4** album (No.21 last November), this is their first singles chart appearance since **Big Bang Baby** (No.37 May 1996).

No.68 DIRTY JEANS - **Magic Dirt**. The second Australian top 100 single for the Geelong band of **Adalita Srsen**, **Adam Robertson**, **Dean Turner** and **Raul Sanchez** has been a long time coming. Despite consistent success on the ARIA Alternative chart over the years, their only other mainstream chart single was the cult 1994 JJJ Hot 100 winning **Life Was Better** (No.71 January 1995).

No.70 CHITTY CHITTY BANG BANG - **Urban Myth**. Recorded in Sydney, the first hit for **Urban Myth** is a modernised dance version of the theme song of the 1968 movie starring **Dick Van Dyke** about his "fine four fendered friend"... a magical flying car!

No.72 BUFF BOY - **Jubestar**. The first release from the Melbourne trio of **LJ**, **Pac** and **Jared** is a double entendre laden ditty where **LJ** bemoans the fact that the "Buff Boy" that she fancies won't return her affection because "maybe he likes boys better than girls". Next year's Mardi Gras theme song perhaps??

No.77 GOTTA TELL YOU - **Samantha Mumba**. The Australian debut of this single achieves one of the stated goals of this 17 year old Irish singer. Having taken this single to No.1 in Ireland and No.2 in the UK, **Samantha** has Australia in her sights as she claims to have relatives here. By all reports, the single is also being well received at radio in the US, so world domination could be within reach for the girl who shares the same management as **Westlife** and **Boyzone**.

No.82 CELEBRATE THE FAILURE - **The Fauves**. Although the Melbourne "Art rock" quartet of **Andrew Cox**, **Andrew "Jack" Dyer**, **Phil Leonard** and **Adam Newey** have been releasing material for more than a decade, this is only their second bite of mainstream singles chart action following **Surf City Limits** (No.97 May 1998).

No.83 ONE VOICE - **Billy Gilman**. This "emotion drenched" song has been taking US radio (particularly country radio) by storm over the past few months in much the same way as the **Bob Carlisle** song **Butterfly Kisses** did in 1997. The first hit single for the 12 year old country singer who was raised in Providence, Rhode Island, this US Top 40 single is the title track from his debut album.

No.88 GIVE A SMILE TO THE PLANET - **Rai**. On the eve of the "Green" Olympics, it is appropriate that a new Sydney artist should write and record an ecologically sound song. From his self titled debut album which is due later this year, this is 20 year old **Rai's** first chart single.

ALBUMS - **John Farnham** extends his occupancy of the No.1 spot with **33 1/3** to four weeks, his most since **Chain Reaction** grafted five weeks in two runs in October and November 1990 and his longest unbroken stay at the top since July / August 1988 when his **Age Of Reason** album logged eight consecutive weeks. After spending the past six weeks seemingly "parked in" between No.13 and No.19, the album **Riding With The King** suddenly accelerates from No.17 to No.5 this week for the collaboration of **Eric Clapton** and **B.B. King**. While the album is the fifth top 10 album in the solo career of **Slowhand**, it is the biggest chart album by a long shot for **King** whose legendary status as a Blues artist and fifty year plus career has not (until now) resulted in anything resembling a top to hit.

No.18 GRAND THEFT AUTO - **Resin Dogs**. Containing eleven tracks including their recent Double-A single **Daily Trouble / Rock The Record** (No.92 June), this is the Brisbane hip-hop / funk outfit's debut album. Outside of the confines of the group, **DJ Katch**, **Geoff Boardman**, **Dave Atkins** and **Chris Bosley** are all very active in the South East Queensland new music scene, having worked with, or been part of (among others) **Pangaea**, **2 Dogs** and **Regurgitator** as well as doing regular DJ gigs.

No.45 SMOKE RINGS IN THE DARK - **Gary Allan**. This is the third album release for this 32 year old "surfing cowboy" from California following **Used Heart For Sale** (1996) and **It Would Be You** (1998). The album is strongest in Queensland (it is at No.11 there this week) where Gary has been performing at this year's Gympie Muster.

No.54 ONLY - **Tommy Emmanuel**. Since his debut album **Up From Down Under** (No.48 July 1988) this 45 year old Hunter Valley born master guitarist has been a consistent chart performer. His ten albums chart entries have spent a total of 240 weeks on the national top 100 and earned him four gold and two platinum ARIA accreditation awards.

No.76 7 - S Club 7. Featuring the single **Reach** (No.44 this week) and a version of their previous hit **Two In A Million** (No.25 May 2000), this is the English pop septet's second album following the platinum release **S Club** which peaked at No.2 just over six months ago in February.

No.79 BROKE - **(Hed) Pe**. With the stage names **BC**, **Chizad**, **DJ Product**, **Mawk**, **M.C.U.D.** and **Wesstyle**, this posse from Orange County, California have been pigeon-holed as an amalgam of hip-hop, funk, rap, metal and even reggae. This is their first Australian chart entry.

No.83 THE ECLEFTIC - 2 SIDES II A BOOK - **Wyclef Jean**. Life is quite full for this sometime Fugee, songwriter, and producer. In addition to his Grammy Award winning work with the likes of **Santana**, **Destiny's Child**, **Whitney Houston** and of course **The Fugees**, he has also taken time out as a solo artist. Currently top 10 in the US, this is his second album following **Wyclef Jean Presents The Carnival** from 1997.

No.94 ROAD TRIP - **Soundtrack**. Road movie meets College comedy in this sexy teen romp from New York to Texas. In keeping with the film's young theme, most of the dozen songs on the soundtrack are from the nineties and beyond, from the likes of **Kid Rock**, **Jon Spencer Blues Explosion**, **Eels**, **Ash** and **Buckcherry**. The exceptions are the 1980 **Minnie Riperton** track **Inside My Love** and 1986 **Run-D.M.C.** release **It's Tricky**.

No.100 GARMA - **Yothu Yindi**. Top 40 in both South Australia and Western Australia this week, this is the sixth Australian chart album for the Aboriginal group from the North Eastern Arnhem Land region of the Northern Territory. The last chart outing for the band was with the album **One Blood** which reached No.43 in August 1999 while their greatest chart success came in the early 1990s with the double platinum **Tribal Voice Album** (No.4 June 1992).
