THE ARIA REPORT

Chartifacts!

SINGLES - Only three weeks ago Madonna became the third act to debut two singles at No.1 on the Australian chart, joining U2 and Kylie Minogue. That tie is immediately broken this week as Kylie moves the bar one hit higher with her latest single *On A Night Like This*. It is the Melbourne singer's sixth Australian No.1 single. The other new title in this week's top 10, *Fill Me In* makes the more modest move from No.15 to No.10 for the promising UK R&B singer Craig David.

No.1 ON A NIGHT LIKE THIS - Kylie Minogue. With two straight chart topping singles (and both on debut), the prospects look good for Kylie's soon to be released new album *Light Years*. This is Kylie's 30th chart single and 14th to reach the Australian top 10.

No.12 GROOVEJET (IF THIS AIN'T LOVE) - Spiller. Last month this single caused a major stir in the UK when it made its debut at No.1 ahead of the highly fancied *True Steppers* (with Dane Bowers and Posh Spice) single *Out Of Your Mind* (No.28 here this week). Featuring the vocals of Sophie Ellis-Bextor, the first hit by this Italian dance act is also the new No.1 this week on the ARIA Club chart.

No.18 COME ON OVER BABY (ALL I WANT) - Christina Aguilera. The hits keep coming for the current brace of US teen female singers with the Florida based 19 year old joining compatriots Britney Spears (No.6) and Mandy Moore (No.27) on the chart. This is Christina's fourth straight top 40 hit.

No.37 IF I TOLD YOU THAT - Whitney Houston & George Michael. Two of the most consistent chart performers of the past 20 years with more than two dozen hits each, Whitney and George are also popular duet partners, Whitney having sung with Mariah Carey, Enrique Iglesias and husband Bobby Brown (among others) while George's hits include duets with Elton John, Aretha Franklin and Mary J Blige. A hit in Europe, this single is from Whitney's *Greatest Hits* album (No.8 May 2000).

No.38 GRAVITY - The Superjesus. This is the sixth chart single for the band who burst onto the scene with a couple of ARIA Awards and three top 50 singles in 1997. This single is from the band's forthcoming second album *Jet Age*.

No.44 SPANISH GUITAR - Toni Braxton. The follow-up to the gold hit *He Wasn't Man Enough* (No.5 June 2000), this is the ninth Australian chart single for the R & B singer from the US State of Maryland.

No.52 WAR - Frenzal Rhomb. Self proclaimed as the "punkest" band in the World, these Aussies have now hit the Australian chart four times with this being their second best performer behind *You Are Not My Friend* (No.49 August 1999). This single will appear on their next album *Shut Your Mouth* which is due later this year.

No.71 WIFEY - Next. Already a hit in both the UK (No.19) and the US (No.7), this is the third Australian chart single for the Minneapolis / St. Paul trio following the gold hit *Too Close* (No.12 September 1998) and *I Still Love You* (No.31 October 1998).

No.73 GONNA MISS YOUR LOVE - Max 22. This is the debut release for the Sydney based dance duo of Natalie Miller and Max. Although it is yet to reach any of the ARIA State top 50 charts, the Alex Breitung produced single is initially performing best in the Victoria / Tasmania and New South Wales charts.

No.74 BROADWAY - Goo Goo Dolls. It took more than a decade for the band from Buffalo, New York to register their first Australian hit *Name* (No.64 in February 1996). Best known for their second hit *Iris* (No.1 August 1998), this is their fifth Australian top 100 single.

No.98 AM I HERE YET - Billie Myers. This is the second Australian chart single for the UK singer of English and Jamaican parentage. The first single from her second album *Vertigo*, it follows her June 1998 No.41 hit single *After The Rain*.

ALBUMS - Two years ago Powderfinger hit No.1 for the first time, spending one week on top with *Internationalist*. This week, their follow-up *Odyssey Number Five* doubles that tally as it spends its second week in the top spot. In addition to top 100 debuts at No.6 and No.8 for first timers Fuel and Craig David respectively, this week's top 10 also sees the return (from No.16 to No.7) of the Vanessa Amorosi album *The Power* for its 22nd week in the top 10.

No.6 SOMETHING LIKE HUMAN - Fuel. Thirteen months ago the Pennsylvania band of Brett Scallions, Carl Bell, Jeff Abercrombie and Kevin Miller reached No.16 with their gold album *Sunburn*. Featuring the single *Hemorrhage (In My Hands)* (No.46 a few weeks ago) their second album is performing most strongly in Victoria where it is in the No.4 position.

No.8 BORN TO DO IT - Craig David. While some artists struggle for years for credibility and/or chart success, Craig's ascent has been swift on both counts. Featuring his current No.10 single *Fill Me In*, his debut album has already topped the chart (for two weeks) in his native UK (last month).

No.11 THE GAMES OF THE XXVII OLYMPIAD, OFFICIAL MUSIC OF THE OPENING CEREMONY - Various. Performed live in front of more than 100,000 and a television audience estimated at 4.7 billion people at last week's Olympic opening ceremony, this 18 track CD features Australian artists such as John Farnham, Olivia Newton-John, Tina Arena, James Morrison, Human Nature and Vanessa Amorosi as well as the Sydney Symphony Orchestra. Only available for sale after the live event on Thursday night, this debut was achieved on just a couple of day's sales... watch out for another big move next week!

No.18 NATHAN MICHAEL SHAWN WANYA - Boyz II Men. Three of the four previous albums by this quartet have reached the Australian top 10 beginning with *Coolerhighharmony* (No.4 January 1993) and most recently *Evolution* (No.6 October 1997). Their current single *Pass You By* made its debut at No.13 last week.

No.25 VERDI: ARIAS - Andrea Bocelli. Over the past three years, the blind tenor from Tuscany has taken the baton from Domingo, Pavarotti and Carreras and produced a string of hit albums, four of which are currently charting. Backed by the Israel Philharmonic Orchestra led by Zubin Mehta, his latest debut is a collection of 15 arias by the famous late 19th century Italian composer Giuseppe Verdi.

No.34 COME MY WAY - Christine Anu. It is more than five years since Christine's first album *Stylin' Up* peaked at No.21 on the Australian chart (June 1995). However, the extremely versatile and talented performer has not been idle in the interim, singing and dancing on stage in shows such as *Rent*. The album features the hit *Sunshine On A Rainy Day* (No.26 June 2000) and her new single *Jump To Love*.

No.69 OLYMPIC RECORD - Various. Compiled by Rob Hirst (of Midnight Oil) and Rick Grossman (of the Hoodoo Gurus), this album features a Who's Who of Australia's musical and Olympic talent. Swimmers Ian Thorpe, Grant Hackett, Michael Klim and Murray Rose as well as sprinter Matt Shirlvington and the Atlanta gold medal winning Hockeyroos Women's Hockey team feature on the album 12 tracks supporting artists such as Jimmy Little, Daryl Braithwaite, Deborah Conway, Marcia Hines, Vika & Linda and Jon Stevens (on the single *Carry The Flame*).

No.80 GOAT - LL Cool J. Demonstrating the wry humour of LL (aka Ladies Love Cool James or James Todd Smith), the title of this album is an acronym for the phrase "Greatest Of All Time"! In a chart career of eleven years, this is the US rapper's fifth Australian top 100 album but surprisingly despite its modest debut it is already his second highest charting album in this country behind *Mama Said Knock You Out* (No.67 August 1991).

The ARIA Report is produced a minimum of fifty weeks each year and is only available by subscription.

Subscription rates are as follows -

Eligibility for these charts is determined by a panel of alternative genre specialists from across the industry... including retailers, wholesalers and print, radio and television media.

Titles become ineligible for this chart once they reach ARIA Gold accreditation or higher.

WEEK COMMENCING 18TH SEPTEMBER 2000

Hit Seekers is a chart of current product from acts who have never reached the top 50 on the respective national ARIA singles and albums charts. Positions for this chart are determined from ARIA's weekly national chart surveys.
