THE ARIA REPORT

Chartifacts!

SINGLES - With the release of her album of the same name this week, **Madonna's *Music*** has regained the top spot, while Melbourne girl **Kylie** has dropped back to the No.3 position. In the meantime, the third single for Sydney duo **Madison Avenue**, titled ***Everything You Need*** makes its debut at number 6, while **Bombfunk MC's** jumps from No.17 to No. 10 with ***B-Boys & Fly Girls***.

No.6 EVERYTHING YOU NEED - Madison Avenue. This is their third single and also their third Top 10 debut in less than a year, with ***Don't Call Me Baby*** registering at No.3 (25th November 1999) and ***Who The Hell Are You*** entering the charts at No. 1 (12th June). The much awaited **Madison Avenue** debut album is due for release on the 2nd October.

No.15 TEENAGE DIRTBAG - Wheatus. From Long Island, New York, brothers **Brendan B.** (vocals) and **Peter Brown** (drums) along with **Mike McCabe** (bass), and **Phil A. Jimenez** (percussion/keyboards) have written, produced and recorded their first album, from which this single has been released. Their self titled debut album is due for release on the 23rd October.

No.24 SOMETHING DEEP INSIDE - Billie Piper. We first heard from **Billie** at 15 years old, when she made history by being the first female solo artist to debut at No.1 in the UK in 1998. Now she's back, a little older, wiser and not so innocent with her second single from the upcoming album ***Walk Of Life***. The first single from this album was ***Day & Night*** which reached No.8 in July this year.

No.26 BUG A BOO - Destiny's Child. This girl group continues to enjoy chart success as they have entered the chart with yet another single from the Platinum accredited No.2 album (May 2000) ***The Writings On The Wall***. Their previous single ***Jumpin', Jumpin'***, is still sitting comfortably at No.13 this week after spending 9 weeks in the top 10.

No.36 MINORITY - Green Day. What is there to say about a band that has released 5 albums (almost 6) and had 12 Top 100 charting singles? Nothing, except that this is the first single from the long awaited upcoming album ***Warning***, which is due for release on Monday 2nd October.

No.52 UNCLE JOHN FROM JAMAICA - Vengaboys. Kim, Denise, York & Roy have done it again with their seventh single, and the third from the ***Platinum Album*** which reached No. 5 in March this year. Their previous singles include ***Boom Boom Boom Boom*** (No.2 August '99) and ***We Like To Party*** (No.2 May '99).

No.57 SHIVER - Coldplay. Members **Chris Martin**, **Guy Berryman**, **Jonny Buckland** and **Will Champion** met while at University in London in 1996, which led to the forming of **Coldplay** in 1998. After releasing two Ep's they find themselves finally hitting the charts with this, the first single from the debut album titled ***Parachutes*** which is No.40 this week.

No.62 JUMP TO LOVE - Christine Anu. Following ***Sunshine (On A Rainy Day)*** which reached No.26 (26th June 2000), this is the second single from her recently released album titled ***Come My Way*** (No. 23 this week). This is **Christine's** second album, the first being ***Stylin' Up*** which reach No.21 (5th June 1995).

No.76 DEATH DEFY - Motor Ace. After touring Australia in August/September, **Motor Ace** have returned to the charts with their third single, following ***American Shoes*** which charted in June this year at No.66. **Motor Ace** are set to be one of the performers at this year's **Livid Festival** in Brisbane on the 21st October.

No.79 SUPERMAN SUPERGIRL / BLACK SHEEP - Killing Heidi. This is the fourth single for this multiple ARIA Award nominated band following their top 10 hits ***Mascara*** (No. 1, Jan 2000), ***Weir*** (No. 6, July '99) and ***Live Without It*** (No.5 April 2000). This single contains video clips of both ***Weir*** and ***Mascara*** along with a live version of ***Live Without It***.

No.85 EVERYTHING I CAN - Sean Ikin. This is the debut release for the Queensland born singer, who's musical career started as a hobby to earn him extra cash while he was studying at Uni. It turns out that **Sean** became rather popular with the locals, and it was suggested that he include more songs into his sets, which is just what he did. This is the first single to be released from the upcoming ***Gallery Of Murmurs*** album.

No.99 SPIT IT OUT - Slipknot. From the Gold accredited ***Slip Knot*** album (No. 32 February 2000), we have this, the second single which follows ***Wait And Bleed*** (No.46 March 2000).

No.100 THE WHISTLE SONG - DJ Alligator Project. The idea for this song came to **DJ Alligator** aka **Ali Movasat** when he was doing his thing at a Danish nightclub. He noticed that a number of patrons had brought along whistles to enhance the music, which inspired him to produce this song, enabling people to dance freely once again without worrying how they were going to hold their whistles! He has also been a member of the bands ***Factual Beat*** and ***Zoom***.

ALBUMS - Well it's obvious that Australia is in Olympic mode with this weeks No.1 position being filled by ***The Games of the XXVII Olympiad Official Music From The Opening Ceremony***, forcing the latest **Madonna** album to settle for the No.2 position. Excluding Soundtracks, this is the first time a compilation album has occupied the top spot in the history of the ARIA chart.

No.2 MUSIC - Madonna. Written and produced with the help of **Mirwais Ahmadzia** and **William Orbit**, this is the fourteenth album released by **Madonna**. In her true style, this album is one in a long line of top 5 debuts, including ***I'm Breathless*** (No.1 May '90), ***Erotica*** (No.1 October '92), ***Bedtimes Stories*** (No.1 November '94), ***Something To Remember*** (No.2 November '95) and ***Ray Of Light*** (No.1 March '98) just to name a few. The single of the same name is currently No. 1 this week.

No.54 SELMASONGS - Bjork. Already a successful singer, **Bjork** is moving into the film world. Not only has she composed and produced this entire soundtrack for the latest **Lars Von Trier's** film, ***Dancer In The Dark***, she also played the starring role. The film won the **Palme d'Or** award, while **Bjork** won **Best Actress** at this years **Cannes** film festival.

No.59 OLIVIA - ONE WOMAN'S LIVE JOURNEY - Olivia Newton-John. After her recent success with **John Farnham** and **Anthony Warlow** in ***The Main Event*** (No.1 December '98), **Olivia** has made a solo return to the charts with this live album featuring some of her previous hits ***Physical***, ***I Honestly Love You*** and ***Xanadu***.

No.63 GETAWAY - Reef. With now four Top 100 albums under their belts, the most successful being ***Glow*** (No.18 May '97), **Reef** have released "their most upbeat energy filled" album yet. Included on the track listing are the previously released single ***Set The Record Straight*** (No.15 August 2000) and the upcoming single ***Superhero***.

No.64 THE FRIENDS OF RACHEL WORTH - The Go-Betweens. Originally formed in 1978 by **Grant McLennan** and **Robert Forster**, this band has had a rocky history of both financial and label difficulties, along with both members pursuing solo careers. But once again, the **Go-Betweens** in their true fighting spirit, have shone through and released this, their seventh album. The last time we saw chart action for this band was in March 1999 with ***Bellavista: The Best Of*** which reached No. 7.

No.75 CENTRE STAGE - Soundtrack. Directed by **Nicholas Hytner**, and starring **Susan May Pratt** (***10 Things I Hate About You***), the film is about the hopes and dreams of young dancers and the fierce competition and criticism they face. This soundtrack contains **Mandy Moore's** ***I Wanna Be With You*** (No.25 this week) along with tracks by **Jamiroquai**, **Red Hot Chili Peppers** and **Michael Jackson**.
