Chartifacts!

SINGLES – After a five week steady rise up the chart, **Pink** finally have an Australian No.1 with ***Most Girls***. Other chart action includes the further ascent of **Bomfunk Mc's** with ***B-Boys & Fly Girls***, while ***Groovejet (If This Ain't Love)*** by **Spiller** has risen from No.11 to No.8. **Christina Aguilera's** new single ***Come On Over Baby (All I Want)*** is at No.10 after sitting in the No.16 spot last week.

No.21 GIVE ME JUST ONE NIGHT - 98 Degrees. Leaning away from their renowned balladic style, the boys have moved onto the dance-floor with this single which was written by producers **Andre Bagge** and **Arnthor Birgisson**. With it's use of groovy melody, Spanish guitar and "killer percussion", along with a sensual south of the border inspired video, this single is a sample of what the new album ***Revelation*** will hold.

No.28 CHAINED TO YOU - Savage Garden. Being the fifth single released from the multi-platinum ***Affirmation*** album (No.1 November 1999), this is just one in a long line of Australian chart hits for Brisbane based **Daniel** and **Darren**. Previous releases include ***Crash and Burn*** (No.16 May 2000), ***I Knew I Loved You*** (No.4 October 1999), ***The Animal Song*** (No.3 March 1999) and ***Affirmation*** (No.16 February 2000).

No.50 LADY (HEAR ME TONIGHT) - Modjo. What do you get when you take one person (**Romain Planchart**), who plays guitar, drums and piano, and is inspired by **Mozart**, **U2**, **Miles Davis** and **Metallica**, and then you mix him with another guy (**Yann Destangol**), who plays piano, clarinet, drums and the flute and is influenced by **The Beatles**, **David Bowie** and **Queen**? A couple of musical geniuses that call themselves **Modjo**! This is the first single for this Parisian born duet.

No.82 AUSSIE AUSSIE AUSSIE - Aussie Allstars. Well, all of Australia is doing it and it's doubtful that there is anywhere in the world that hasn't heard it by now, so in true Olympic spirit it's now available on CD, just in case there is SOMEONE out there who isn't sick of it.

No.84 MIND BOMB - Oblivia. After their recent chart success with the debut single ***My Friend*** (No. 35 May 2000), **Josh**, **Tony**, **Johnny**, **Pete** and **Owen** have followed it up with this single, which has also debuted on the ARIAnet Alternative chart at No.10 this week.

No.97 6, 8, 12 - Brian McKnight. Written by **Brian** and described as having "timeless lyrics", this love song "seamlessly fuse pop and country interpretations". It is the second single from his latest album, ***Back At One*** (No.56 May 2000) following the single of the same name, which reached No.24 in February this year.

No.100 THAT'S THE GIRL (THAT I'VE BEEN TELLING YOU ABOUT) - Blessid Union Of Souls. **Blessid Union Of Souls** have released the second single from the ***Walking Off The Buzz*** album following ***Hey Leonardo (She Likes Me For Me)*** which reached No.17 in February this year. This single also features a live version of ***I Believe*** (September '95).

ALBUMS - In the aftermath of Olympic fever, and a fabulous performance in the closing ceremony, **Kylie Minogue** found that even she couldn't knock the Opening Ceremony album out of the top spot this week. ***Music*** by **Madonna** has stayed in the No.3 position for it's second week while **Pink** has bounded up the chart from No.22 to the No.10 position.

No.2 LIGHT YEARS - Kylie Minogue. With already two number one singles off the track listing, the first being ***Spinning Around*** (26th June) and more recently ***On A Night Like This*** (18th September), **Kylie** has shown that she has definitely not lost her touch by delivering yet another Top 5 charting album. Of her previous albums, including ***Impossible Princess*** (No.4 January '98), ***Kylie Minogue*** (No.3 October '94) and ***Greatest Hits*** (No.3 October '92) just to name a few, this album is the only one on par with ***Kylie*** which debuted in July '88 also in the No.2 spot. ***Kids***, the duet with **Robbie Williams** is just one of the great tracks on the album.

No.23 WALK OF LIFE - Billie Piper. After her previous chart success, **Billie** has a lot more to sing about than when she first hit the charts in 1998. After touring the US and travelling the world, along with a couple of extra years under her belt, this album shows the beginnings of maturity creeping in. **Billie** describes this album as having "real meaning and truth", and this shows on the track ***Because Of You***, which was co-written with **Elliot Kennedy**.

No.33 PRIMITIVE - Soulfly. This is the third Top 100 album for this band, the previous ones being ***Soulfly*** which reached No.33 in April '98 and ***Tribe*** which peaked at No.55 in February '99. A single is yet to be released from this album.

No.40 REVELATION - 98 Degrees. With 11 of the 13 tracks being co-written by the band members, this album is something for **Nick**, **Drew**, **Justin** and **Jeff** to be excited about. The boys have tried styles and sounds different from anything else they have done before and describe it as being "versatile". Their previous album ***98 Degrees And Rising*** reached No. 27 (September '99).

No.46 SAILING TO PHILADELPHIA - Mark Knopfler. After a four year break, and with guest appearances from the likes of **Van Morrison**, **James Taylor**, **Glen Tilbrook** and **Chris David**, his latest release is sure to go down well with the fans as a perfect follow up to the 1996 release of ***Golden Heart*** which reached No.28 in May that year. As well as recording this album, Mark has been busy writing a series of film scores, the latest being ***A Shot At Glory***, which stars **Robert Duvall** and **Michael Keaton**.

No.64 UNWRITTEN LAW - Unwritten Law. This is the first Australian charting album for role playing **Wade** (The Magician), **Rob** (The Strength), **Steve** (The Hermit), **Pat** (The Star) and **Scott** (The Emperor), who have already enjoyed chart action on the singles chart with ***Lonesome*** in June this year. They have previously released the album ***Oz Factor*** and the single ***Visit To Oz*** which reached No.36 and No.16 on the ARIAnet Alternative chart respectively.
