THE ARIA REPORT

WEEK COMMENCING 16 OCTOBER 2000

ISSUE NO.555

SINGLES - U2 have returned with their third No.1 debut in the history of the ARIA charts, following *The Fly* (Oct '91) and *Hold Me, Thrill Me, Kiss Me, Kill Me* (July '95). Otherwise this weeks charts depicts the impression of the calm before the storm in anticipation of the upcoming Christmas period, with the only other entry into the Top 10 being *Teenage Dirtbag* by **Wheatus** moving up 3 positions to sit at No.10.

No.1 BEAUTIFUL DAY - U2. After an almost two year absence following their November 1998 No.6 single *The Sweetest Thing*, **U2** have returned with new material, this song being written by **U2** and produced by **Daniel Lanois** and **Brian Eno**. With two versions available, one containing the additional tracks *Summer Rain* and *Always* while the other contains live versions of *Discotheque* and *If You Wear That Velvet Dress*, both are Australian exclusive releases. This single is the first from the upcoming album *All That You Can't Leave Behind* due for release on the 30th November.

No.21 NOT THAT KIND - Anastacia. After the No.1 hit *I'm Outta Love* (July 2000) this is the second single from the album of the same name *Not That Kind* (No.2 August 2000).

No.42 THIS I PROMISE YOU - *N Sync. This single has a lot to live up to, following the platinum selling Australian No.1 *Bye Bye Bye* (March 2000) and the US No.1 *It's Gonna Be Me* (Australian No.11 July 2000). The third single from the *No Strings Attached* album (No.3 April 2000), this single contains a **Maurice Joshua** remix of *It's Gonna Be Me*, with the title track being written and produced by **Richard Marx**.

No.50 TAKE ON ME - A1. This is the highest debuting single for this band following their previous songs *Summertime Of Our Lives* (No.44 May 2000), *Be The First To Believe* (No.115 October 1999) and *Ready Or Not* (No.110 July 2000).

No.72 BATHWATER - No Doubt. This is the third single from the *Return Of Saturn* album (No. 11, April 2000), following *Simple Kind Of Life* (No.94 July 2000) and the Gold accredited *Ex-Girlfriend* which reached No.9 in April this year.

No.88 DANCE WITH ME - Debelah Morgan. Born in Detroit and raised in Phoenix, **Debelah** wrote and produced this song with the help of her brother **Giloh**. Although this is the second Australia release for this young American following her January 1999 release titled *Yesterday*, it is her first taste of chart action here. Her debut Australian album also titled *Dance With Me* is due for release soon.

ALBUMS - While there haven't been any debuts into the top 10 this week, there has been a history making move by the latest **Kylie** album *Light Years*, being her

No.18 BLACK MARKET MUSIC - Placebo. Co-produced by **Paul Corkett**, and including guests artist such as **Justin Warfield** (*One Inch Punch*), **Rob Ellis** (drummer for **PJ Harvey**) and **Severne Loren** (singer/guitarist of **Linoleum**), this is the second album following the platinum accredited *Without You I'm Nothing* (No.14 May '99). *Taste In Men* is the first single to be released from this album and it reached No.69 in August this year.

No.36 SCAM - Screaming Jets. The fifth album from this renowned Australian rock band was partially recorded in Melbourne's Sing Sing Studios with production by **Ross Wilson** and **Kalju Tonuma**, and finished off at the Mangrove Recording Studios (owned by **INXS** bassist **Gary Beers**) with **Steve James'** producing expertise. This album has already provided two charting singles from it's track listing, *I Need Your Love* (December 1999) and *Shine Over Me* (June 2000), with the third single *Higher With You* due to be released next Monday.

No.68 PAVAROTTI & FRIENDS VOLUME 7 - Luciano Pavarotti & Friends. With a huge star line up including **Tracy Chapman**, **Enrique Iglesias**, **George Michael**, **Eurythmics**, **Aqua**, **Skunk Anansie** and our very own **Savage Garden** just to name a few, this album is the seventh in a series of charity concerts to help raise money for less wealthy countries. This specific concert performed in Modena on the 6th June this year, was to raise money for Tibet and Cambodian children, and was performed in front of none other than the **Dalai Lama**. Interestingly, this is the first time an Australian act has performed in one of the *Pavarotti & Friends* charity concerts.

No.78 ABANDONED SHOPPING TROLLEY HOTLINE - Gomez. With no plans to release an album this year in a bid for an easier schedule, **Gomez** has done exceptionally well. With a whirlwind tour of America, Australia, Europe and the UK earlier this year and the release of the *Machismo EP* (No.48 August 2000) (which would be enough to keep any fan happy), they have hit the world with this 15 tracker (12 of which are previously unreleased). This album is a compilation of **Gomez's** works from living room demos to some of their newer material. After all of that they deserve to take a break, which they will be doing over Christmas.

No.89 THE BEST.... 'TIL NOW - Graeme Connors. With a history of more than a decade of songwriting, this album is the **Graeme Connors** "cream of the crop" consisting of some previously unreleased B-sides, some old favourites and a new addition. This new addition is the theme song of the 2000 Sydney Paralympic Games, which **Graeme** will perform during the Opening Ceremony, and is titled *Being Here*. Other tracks include *A Little Further North*, *The Road Less Travelled* and *Better Off Alone*. **Graeme** also plans to record a new album early next year.

No.92 PORTRAIT OF YVONNE KENNY - Yvonne

first ever No.1 album in Australia. Hard to believe but true. It is also a week for Aussie domination, with the top 4 positions being held solely by our own home grown talent. We also see a return to the Top 10 with ***In Blue*** by **The Corrs** rising one spot from No.11 last week.

Kenny. After her recent performance at the Sydney 2000 Olympic Closing Ceremony, **Yvonne** has returned to the charts with a collection of previously unreleased materials along with some old favourites from her previous album titled ***A Christmas Gift*** which reached No.85 in December 1999. This album is also No.4 on the ARIAnet Classical chart this week.
