

Chartifacts!

SINGLES – While **Spiller** still hold the No. 1 position, we see the recent calmness of the Top 10 take a turn, with the debut of the new **Spice Girls** single **Holler / Let Love Lead The Way** at No. 2. **Samantha Mumba** has also made the Top 5 with her single **Gotta Tell You** jumping six spots from last weeks No. 11 placing, while **Most Girls** by **Pink** has taken a step back from No. 2 last week to No. 8.

No. 2 HOLLER / LET LOVE LEAD THE WAY - Spice Girls. This is their 9th UK No. 1 single following **Wannabe** (No. 1 October 1996), **Say You'll Be There** (No. 12, April 1997) and **Spice Up Your Life** (No. 8, November 1997) just to name a few. This is the introductory single from the upcoming album **Forever**, while three of the four members are currently enjoying solo chart success.

No. 18 CHAIN OF FOOLS - Jimmy Barnes. It's been almost a year since this Australian icon hit the charts with **Thankful For The Rain** (No. 63). This single is the first taste of his upcoming cover album **Soul Deeper - Songs From The Deep South**, which is a follow up to his No. 1 **Soul Deep** in 1992.

No. 39 ORIGINAL PRANKSTER - The Offspring. With their previous single, **She's Got Issues** not quite making it into the Top 100 last November (No. 105), this single has turned things around by debuting in the Top 40 this week. It comes from the November 13th released album **Conspiracy Of One**.

No. 52 AGAINST ALL ODDS (TAKE A LOOK AT ME NOW) - Mariah Carey. This is her second single this year following **Thank God I Found You** (No. 27 March 2000), which could mean we will be seeing a new album for **Mariah** shortly. And I could just be making that up. Who knows.

No. 77 I WISH - R. Kelly. What is there to say about an artist who has sold over 30 million albums worldwide, had more Top 40 hits in the 1990's than any other male artist, won 3 Grammy Awards and the 1999 American Music Award for R&B/Soul Favourite Male Artist Of The Year? This single is from the soon to be released **TP-2.com** album.

No. 84 YOU'RE AN OCEAN - Fastball. Produced by **Julian Raymond** along with band members **Miles**, **Tony** and **Joey**, this 5 tracker contains two Australian exclusive live tracks and previous hits **Out Of My Head** and **The Way** which were recorded last year in Melbourne. This is the opener for the new album **The Harsh Light Of Day** which is due for release in November.

No. 90 KRYPTONITE - 3 Doors Down. From Escatawpa, Missouri, **Brad Arnold**, **Todd Harrell**, **Matt Roberts** and **Chris Henderson**, these guys found instant success when their local radio station started getting calls from listeners requesting this song. Produced by **Paul Ebersson** (**Sister Hazel**) and mixed by **Toby Wright** (**Alice In Chains**, **Korn**), this is the first single from the album **The Better Life**.

No. 92 HUDSON STREET - Agnelli & Nelson. Dj **Robbie Nelson** and **Chris James Agnelli** are just a couple of Irish guys that just like making music. Both with long music histories, with **Robbie** Dj-ing from the age of 11 and **Chris** working with the likes of **Kenny Ken** and **Jumping Jack Frost**, while undertaking a sound engineering course, these guys know what they are doing. Their previous releases include the singles **Embrace** (No. 125, July 2000) and **Every Day, Every Moment, Every Time** (No. 73 November 1999).

No. 98 SUMMER OF LOVE - Lonyo. This British 24 year old has a long musical history for someone who has just released their first single. With a background of participating in various projects including singing at the launch of **Janet Jackson's Velvet Rope** album, he is currently working on writing his debut album.

ALBUMS - Powderfinger have regained the No. 1 spot this week with their double Platinum album, **Odyssey Number Five**, knocking **Limp Bizkit** back to No. 2, while the new album for **The Superjesus**, **Jet Age** has debuted in the No. 5 spot. **Pink** have also returned to the Top 10 rising one position from last weeks No. 11 placing, along with **Savage Garden** moving up one place to sit at No. 9 this week.

No. 5 JET AGE - The Superjesus. With the departure of guitarist **Chris Tennant** in early 1999, **Tim Henwood** was brought in to fill the gap. And that he has by not only playing the guitar, but also co-writing some of the tracks with vocalist **Sarah McLeod**. The lead single from this album **Gravity** (No. 38 September 2000) was one of these tracks, along with **In Harm's Way**.

No. 22 SONGS FROM DAWSON'S CREEK VOLUME 2 - Soundtrack. After the success of the first Soundtrack (No. 1 May 1999) from the American TV series, we now have a Volume II that contains a track listing full of hits, including **Jessica Simpson's I Think I'm In Love With You** (No. 10 July 2000), **Teenage Dirtbag** by **Wheatus** (No. 3 this week), **Lo-Tel's Teenager Of The Year** (No. 34 July 2000), along with a bonus screensaver.

No. 32 STORIES FROM THE CITY - P.J. Harvey. Wholly written by **PJ Harvey** in New York during 1999, and produced and performed with **Rob Ellis** and **Mick Harvey**, and recorded by **Head**, this is the sixth album for this trio which was formed in 1991. It follows **Is This Desire** which reached No. 30 in October 1998.

No. 61 LIVE AT THE KEY CLUB - Pennywise. With 18 tracks this live album, which was recorded in Los Angeles, is a **Pennywise** fans' dream. With a mixture of their powerful live performance and a collection of tracks spanning their career, it is describe as being "the closest you can get without being in the pit". **Pennywise** are due to tour Australia shortly and are to be supported by **Frenzal Rhomb**.

No. 67 EAT AT WHITEY'S - Everlast. After the release of **Whitey Ford Sings The Blues** (No. 29, June 1999), a near fatal heart attack and touring both as a solo artist and with **Santana** throughout the US, **Erik Schrody** has released yet another album. Produced by **Dante Ross** and **John Gamble**, this 13 track album contains a variety of styles ranging from folk and classical to blues and hard rock. It also features guests artists **Merry Clayton**, **N'Dea Davenport** and **Cypress Hill** just to name a few.

No. 80 THE COLLECTOR'S SERIES VOLUME 1 - Celine Dion. With a history of both No. 1 singles and albums, it was due time for **Celine** to release this, a collection of many of her previous hits, including her duet with **Barbra Streisand Tell Him** (No. 9, November 1997) and also a duet with **Andrea Bocelli** titled **Prayer**. It also includes the Spanish version of **All By Myself** (No. 38 February 1997).

No. 83 WHEATUS - Wheatus. After the release of their first single **Teenage Dirtbag** which is currently No. 3 this week, the boys have now released this, their self-produced debut album, a majority of which was recorded right there in the **Brown** family home.

No. 97 AARON'S PARTY (COME GET IT) - Aaron Carter. Self described as being "an up tempo album about how to have a good time", **Aaron** has used a variety of styles on this, his second album, including reggae, salsa, soul and pop. The track listing contains the classic **Iko Iko**, the previously released single **I Want Candy** and the title track **Aaron's Party (Come Get It)**, which "is a catchy rap number about having a party while your parents are away".
