

Chartifacts!

SINGLES - This week's No. 1 is the wacky *Who Let The Dogs Out* by Bahama natives known as the **Baha Men** who have knocked **Wheatus's Teenage Dirtbag** back to No. 2, while **Human Nature** return to the Top 10 with their latest, *He Don't Love You* which has risen 7 positions from No. 12 last week.

No. 16 7 DAYS - Craig David. At 19 years old and with the UK No. 1, *Fill Me In* (No. 6 October 2000) already under his belt, this single is the second offering from his self written solo album *Born To Do It* (No. 8 September 2000), which also debuted at No. 1 in the UK. **Craig** is no stranger to success, after also collaborating with **Mark Hill (Artful Dodger)** on the single *Re-rewind - The Crowd Say Bo Selecta* which reached No. 62 in June this year.

No. 18 INDEPENDENT WOMAN - Destiny's Child. This is the perfect girl anthem from the **Soundtrack** to the movie *Charlie's Angel*. It is also the fourth single from the double platinum No. 2 album *The Writing's On The Wall*. It follows *Bug A Boo* (No. 26 September 2000), *Jumpin' Jumpin'* (No. 2 August 2000) and *Say My Name* (No. 1 May 2000).

No. 49 MY GENERATION - Limp Bizkit. From the No. 1 (October 2000) album *Chocolate Starfish And The Hot Flavoured Water*, this single follows *Take A Look Around* (No. 28 July 2000) which featured on the **Soundtrack** to *Mission impossible 2*.

No. 74 YOU CAN'T SEE - Groove Terminator. Featuring remixes by **Apollo Four Forty** and **Keith Dope**, as well as his previous single *Here Comes Another One* (No. 73 January 2000), and featuring vocals by **Kool Keith**, this four tracker is from the album *Road Kill* (No. 39 May 2000).

No. 78 ROLLIN' - Josh Abrahams. This three track single contains two remixes, one by **Honeysmack** and the other by **Pound System**, with vocals by **Diane Charlemange**, who has worked with the likes of **Moby**, **Goldie** and **Urban Cookie Collective**. It follows the singles *Headroom* (No. 146, May 1999) and the No. 15 hit *Addicted To Bass* (February 1999).

No. 89 I HOPE YOU DANCE - Lee Ann Womack. From the album of the same name which reached No. 1 in the US, this single is being flogged in the US after being picked up by radio stations like KRBE, WXKS, Star94 and WRAL. The single features the album version, UK remix and the US remix.

No. 98 SCHOOL'S OUT - Daphne & Celeste. After debuting in the Top 10 in the UK with this remake of **Alice Coopers** 1972 No. 1, and a great acceptance of their live performance while supporting **Steps** on their recent UK tour, **Daphne & Celeste** have released their third single from the album *We Didn't Say That*.

ALBUMS - It's all happening this week, with 5 albums debuting in the Top 10. It starts with a collection of **Beatles** No. 1 hits, **Jimmy Barnes** covering a heap of classic soul tracks, **Offspring** and **Marilyn Manson** both doing what they do best and ending up with a collection of live tracks from Channel 10's **The Panel**.

No. 1 1 - The Beatles. There is nothing that can be said about the **Beatles** that hasn't been said before. What can you say about an album that contains 27 No. 1 singles, is titled **1** and debuts at No. 1? Not much really. What I can say is that there is now an official **Beatles** website (www.thebeatles.com), which was launched the same day as this album was released, and **Paul**, **George**, **Ringo** and **Yoko** have collaborated their ideas to put it together.

No.3 SOUL DEEPER... SONGS FROM THE DEEP SOUTH - Jimmy Barnes. After the huge success of *Soul Deep* in November 1991, the idea of doing a follow up has been in **Jimmy's** mind, and now the time has come. This album contains cream of the crop musicians who have played for great artist like **Ray Charles**, **Aretha Franklin**, **Herbie Hancock**, **B.B. King**, **Stevie Wonder**, **Janis Joplin**, **Bob Dylan** and **Roy Orbison**. **Mark Lizotte** also features on this album along with **Jimmy's** children **EJ** and **Mahalia**.

No. 5 CONSPIRACY OF ONE - The Offspring. This is the sixth album following the No. 1's *Americana* (January 1999) and *Smash* (January 1995), along with *Ignition* (No. 2 February 1997), *Offspring* (No. 84 December 1995) and *Ignition* (No. 118 October 1994). It also contains *Original Prankster*.

No. 8 HOLY WOOD (IN THE SHADOW OF THE VALLEY OF DEATH) - Marilyn Manson. This is apparently part of a trilogy that **Marilyn Manson** started back in 1995, but in his true form, it's all backwards. *Antichrist Superstar* (No. 41 April 1997) is the not so happy ending, *Mechanical Animals* (No. 1 September 1998) is the middle of the tale and *Holy Wood* is the beginning of a story about a naïve boy wanting to be accepted in a perfect world that doesn't want him. It's all a little confusing really.

No. 10 MORE MUSIC, LIVE FROM THE PANEL - Various. Another collection of both Australian and International acts going on live television and doing their thing, unrehearsed and unplugged. It includes **Anastacia's I'm Outta Love**, **Blow Up The Pokies** by **The Whitlams**, **Alex Lloyd** performing *My Way Home*, **Mr E's Beautiful Blues** by **The Eels** and **Powderfinger** performing *Passenger*.

No. 16 BEST OF - VOLUME ONE - Silverchair. With a history of 3 albums behind them, the Newcastle boys have released their first collaboration of previous hits singles. This album includes their debut single, *Tomorrow* which reached No. 1 in October 1994, along with *Freak* (No. 1 January 1997), *Pure Massacre* (No. 2 January 1995), *Abuse Me* (No. 9 March 1997), *Ana's Song* (No. 14 July 1999) and *Miss You Love* (No. 17 September 1999).

No. 58 CHARLIE'S ANGELS - Soundtrack. Starring **Cameron Diaz**, **Lucy Liu** and **Drew Barrymore**, and with some great tracks, including this week's No. 18 *Independent Women* by **Destiny's Child**, both the **Soundtrack** and the movie are sure to be big hits this summer. Other artists included are **Fatboy Slim**, **Sir Mix-A-Lot**, **Apollo Four Forty**, **Dee-Lite**, **Aerosmith** and **Marvin Gaye**.

No. 67 LOVERS ROCK - Sade. This album follows *Stronger Than Pride* (No. 18 July 1988), *Love Deluxe* (No. 13 March 1993), and the *Best Of Sade* (No. 23 October 1994).

No. 74 SNATCH - Soundtrack. Directed by **Guy Ritchie** who also directed *Lock Stock & Two Smoking Barrels*, and starring *Lock Stock* star **Vinnie Jones** along with **Brad Pitt**, this movie is about a jewel heist gone wrong. The **Soundtrack** features tracks by **Madonna**, **10CC**, **The Stranglers**, **Oasis** and **The Specials**.

No. 78 TP-2.COM - R. Kelly. This is the fifth album for **R. Kelly** and was both written and produced by the man himself. He is also taking part in the **Soundtrack** for the remake of *Shaft*, by contributing two tracks, *Bad Man* and *Up And Out Of Here*. This follows the Grammy nominated album *R* (No. 65 November 1998).
