SINGLES – The **Baha Men** are still sitting in the top spot this week with **Who Let The Dogs Out** and **Friends Forever (Graduation)** by **Vitamin C** have hit No. 2 after 12 weeks in the Top 100. The only new entry this week is **Madonna's Don't Tell Me**.

No. 8 DON'T TELL ME - Madonna. From the No. 2 Platinum album **Music** (September 2000), this single follows the No. 1 single (August 2000) also titled **Music**. Wednesday morning at 9am, **Madonna** will perform at London's Brixton Academy, along with special guests **Liam Howlett (The Prodigy)**, **Richard Ashcroft** and **Texas**. The gig will be broadcast by nineMSN on the net and can be accessed at <http://ninemsn.com.au/Madonna>.

No. 29 STRONGER - Britney Spears. From the album that has sold more than 12 million copies worldwide **Oops!... I Did It Again** (No. 2 May 2000), this single was written and produced by **Max Martin** and **Rami**.

No. 31 FEEL THE BEAT - Darude. This six track single is the follow up to his debut single **Sandstorm** (No. 40 July 2000). It hit No. 1 on both the UK Club Chart and Mixology chart, reached No. 8 on the European Club chart and No. 12 on the ARIA Club chart.

No. 34 THANK YOU FOR LOVING ME - Bon Jovi. This single is available on two formats, one featuring an exclusive Australian track listing including live tracks from their recent New York performance at the China Club, and the other containing four tracks from their **Crush** tour in Japan this year. It follows the singles **It's My Life** (No. 5 June 2000) and **Say It Isn't So** (No. 9 August 2000).

No. 52 ONE MORE TIME - Daft Punk. With vocals by **Romanthony**, along with the talents of **Daft Punks Guy-Manuel De Homem-Christo** and **Thomas Bangalter**, this single debuted at No. 2 on the UK Single chart and No. 1 in France. It is currently No. 22 on the ARIAnet Dance Chart and follows **Da Funk** (No. 31 May 1997) and **Around The World** (No. 11 August 1997). Look forward to a new album and possibly a visit to Australia early next year.

No. 59 WAY YOU MAKE ME FEEL - Ronan Keating. Written by **Bryan Adams** and **Phil Thornally**, this is the third single from his Platinum solo album **Ronan** (No. 5 September 2000). It follows **When You Say Nothing At All** (No. 3 August 1999) and **Life Is Rollercoaster** (No. 6 August 2000).

No. 65 DON'T WANT YOU BACK - Ellie Campbell. This is the second single for Yorkshire lass **Ellie**, following **So Many Ways** in August 1999 and was written and produced by the **PWL Team** (Tina Cousins, **Five**, **Westlife**).

No. 81 THE REMIX EP - Tina Cousins. Containing the song **The Fool Is Me**, which was written by the duo of **Topham** and **Twigg**, this single is a limited edition, Australian-only release. It also contains the tracks **Angel, Forever** (No. 14 November 1999) and **Pray** (No. 8 February 2000).

No. 82 AUTUMN TACTICS - Chicane. From the man behind **Chicane**, songwriter, producer and remixer **Nick Bracegirdle**, this single contains three remixes of the title song, which is described as "the marking of the end of a fantastic summer". This single follows the No. 6 (May 2000) duo with **Bryan Adams**, **Don't Give Up** and is from the album **Behind The Sun** (No. 15 April 2000).

No. 86 MY GETAWAY - Tionne Watkins. Ex-T.L.C. member makes her solo debut with this single. It is also included on the Soundtrack to the upcoming movie **Rugrats In Paris** which opens nationally Easter next year.

ALBUMS - While **The Beatles** occupy the No. 1 position for the second week, the new **Backstreet Boys** album debuts at No. 2, to knock **U2** back to No. 3. Also debuting this week is **The Living End** with their **Roll On** album and **Enya's A Day Without Rain**.

No. 2 BLACK & BLUE - Backstreet Boys. **Nick Carter**, **Howie Dorough**, **Brian Littrell**, **A. J. McLean** and **Kevin Richardson** have released this, their fourth album. They have already sold more than 51 million albums worldwide, and are still going strong. The first single from this album, **Shape Of My Heart** (No. 5 November 2000) has hit the Top 5 in 11 countries around the world.

No. 8 ROLL ON - The Living End. This is the second album from the Melbourne boys, following their No. 1 4x Platinum **The Living End** album in October 1998. It contains the track **Pictures In The Mirror** (No. 18 October 2000).

No. 9 A DAY WITHOUT RAIN - Enya. Composed by **Enya** and produced by **Nicky Ryan**, this is the long awaited studio album from **Enya** after a five year absence following **The Memory Of Trees** (No. 1 December 1995). The Australian release contains a bonus track titled **The First Of Autumn**, along with her current single **Only Time** (No. 145 this week).

No. 31 SHUT YOUR MOUTH - Frenzal Rhomb. In true **Frenzal Rhomb** fashion of being wreckless and abusive, using obscene language and just having a good time, this is the fifth album for Sydney boys **Jason**, **Lindsay**, **Lex** and **Gordy**. The boys are due to hit the road in **The Big Day Out 2001**, have a sell out tour in Japan and will visit the US and Europe mid next year.

No. 37 SOUVENIRS - Tina Arena. While Australian charts have not seen or heard much from **Tina** in the past couple of years, be aware that she hasn't just been sitting on her butt! From performing both in the musical and on the Soundtrack for the stage performance of **Notre Dame De Paris** to the French No. 2 hit **Aller Plus Haut**, along with the song from **The Mask Of Zorro**, **I Want To Spend My Lifetime Loving You**, which was performed with **Marc Anthony**, **Tina** has been a very busy girl. But after returning home for the 2000 Olympic Games, **Tina** has decided to release this album, to give her Australian fans a taste of what she has been up to.

No. 51 THE W - Wu-Tang Clan. With guest performers **Junior Reed**, **Snoop Dogg**, **Redman**, **Busta Rhymes** and **Isaac Hayes**, this is the second charting album for the renowned hip-hop rappers following **Forever** which reached No. 8 in June 1997.

No. 79 ONE NIGHT ONLY GREATEST HITS - Elton John. This album has broken the record for the fastest album ever made, by being recorded in just 22 days and produced by **Phil Ramone** in just 100 hours. From two sellout shows in Madison Square Garden, this album spans his 30 year career with tracks like **Bennie & The Jets**, **Goodbye Yellow Brick Road**, **Rocket Man**, **I'm Still Standing**, **Candle In The Wind** and **Don't Let The Sun Go Down On Me**. It also contains guest performance by **Ronan Keating**, **Bryan Adams**, **Anastacia**, **Kiki Dee** and **Mary J Blige**.

No. 86 BORN - Bond. These four girls from various corners of the globe are described as "a breath of fresh air" when it comes to classical music. You won't see the long flowing black dresses, the realms of sheet music and conductor in front of the young, energetic and fun classical musicians calling themselves **Bond**. Not only do they play original classical works, they also bring the taste of trance music, salsa and traditional East European folk into the classical world and turn it upside down

No. 92 GIRL THING - Girl Thing. This is the debut album for girlie pop group **Girl Thing**, and it contains the tracks **Last One Standing** (No. 17 September 2000) and **Girls On Top** which is currently No. 50.
