

Chartifacts!

SINGLES – For the fourth week in a row the **Baha Men** are dominating the singles chart with what is tipped as this year's Summer anthem, *Who Let The Dogs Out*. While the Top 5 remain the same as last week, the debut single for actress **Gwyneth Paltrow** titled *Cruisin'*, which is a duet with **Huey Lewis** has reached the Top 10 and sits at No. 6 this week. While *Don't Tell Me* by **Madonna** has re-entered at No. 9, after an 11 week stint in the chart, *Lady (Hear Me Tonight)* by **Modjo** has slipped into the Top 10 at No. 10.

No. 27 THE ITCH / FRIENDS FOREVER (GRADUATION) - Vitamin C. This double A-side, written by **Vitamin C** with the help of **Jim Harry** (Kylie Minogue) and **Billy Steinberg** (Madonna) is the third single release, following *Smile* and *Friends Forever (Graduation)* (No. 2 November 2000). It seems there is no stopping her as her musical career takes off, she is also starring in two Hollywood films, the **Ben Foster / Kirstin Dunst** film *Getting Over Allison* and **Wes Craven Presents: Dracula 2000.**

No. 38 COUNTRY GRAMMAR - Nelly. From St. Louis, Mississippi, 20 year old **Cornel Hayes Jr.** began his recording career as a member of a band called the **St. Lunatics** with some school buddies, who released a single called *Gimme What Ya Got* which sold 7000 units and hit No. 1 on St. Louis radio station 103 The Beat. From there he went solo and was quickly signed to Universal Music, who have released this, his debut single, which is from the album of the same name.

No. 44 SKY - Sonique. From the recently released album *Hear My Cry*, this is the second single for British DJ **Sonique**, following *It Feels So Good* (No. 21 July 2000) which has sold 1.5 million copies worldwide. **Sonique** has also featured as guest vocalist for **Josh Wink's Higher State Of Consciousness** and has mixed a number of UK compilations including *Third Dimension* (1997), *Fantazia* and *British Anthems Summertime* (1998).

No. 87 SUNKEN EYES - Sunk Loto. From the album *Big Picture Lies* (No. 30 October 2000), this single is the second single released from the album following *Make You Feel* (No. 33 August 2000). Other chart action includes their debut single *Society Anxiety* which reached No. 40 last December.

ALBUMS – The aptly titled **Beatles** album **1** is coincidentally still sitting in that very position after four weeks, while in the meantime, we see a few returns to the Top 10 including **Kylie Minogue** re-entering at No. 5 with *Light Years*, this week's No. 8 position being taken by **Matchbox Twenty's Mad Season** and a return by **The Corrs In Blue** album at No. 9. New entries this week include the third **Human Nature** album which has debuted at No. 7 and **Rage Against The Machine's** newie *Renegades* hitting the No. 10 spot.

No. 7 HUMAN NATURE - Human Nature. Branded as being one of the best Australia male vocal groups, **Human Nature** are destined for another hit with this, their self-titled third album to debut in the Top 10, following *Counting Down* (No. 1 May 1999) and *Telling Everybody* (No. 7 January 1997). Produced by **Elliot Kennedy** from the UK Production Company Steelworks, along with **Steve Mac**, it contains the funky new dance tune *He Don't Love You* which is currently sitting comfortably at No. 4 on the ARIAnet single chart. This album is a far cry from the love ballads that we are all accustomed to as it "sets the tone for **Human Nature's** exploration of new musical territories".

No. 10 RENEGADES - Rage Against The Machine. With just a year since their last Top 10 debuting album *Battle Of Los Angeles* (No. 2 November 1999), **Rage Against The Machine** have stormed into the charts with this, their third album to date. Produced by **Rick Rubin** (**Red Hot Chili Peppers**, **Beastie Boys**) and mixed by **Rich Costey** (**Fiona Apple**, **Ice Cube**), this album is said to be a mixture of 'classics hip-hop and rock'. *Renegades* is a collaboration of tunes originally written and recorded by artists such as **Bob Dylan**, **The Rolling Stones** and **Cypress Hill** just to name a few. This is said to be the last studio recorded album with **Zach De La Rocha** as lead singer.

No. 61 WHO LET THE DOGS OUT - Baha Men. With the single of the same name being in the No. 1 position for the fourth consecutive week, the boys from the Bahamas have certainly put themselves on the map. Although they were almost unknown in both the US and Australia before the release of this album, they already have five Platinum albums in Japan, where they are a major concert attraction.

No. 64 HYBRID THEORY - Linkin Park. South Californian boys **Chester Bennington** (vocals), **Rob Bourdon** (drums), **Brad Delson** (guitar), **Joseph Hanh** (DJ) and **Mike Shinoda** (vocals) are the people behind this band of diverse sounds which was originally called **Hybrid Theory** - hence the album title. This is their debut album which debuted at No. 16 in the US, with the first single *One Step Closer* to be released shortly.

No. 79 DREAM A DREAM - Charlotte Church. Dubbed as an 'Angel' after the release of her first Album *Voice Of An Angel* (No. 22 January 1999) Charlotte became the youngest artist to ever hold the No. 1 position on the UK Classical charts, along with being Top 5 on the UK Albums chart and Top 30 on the US Albums chart at the tender age of 12 years old. This is now her third album which is a collection of Christmas songs including *Little Drummer Boy*, *Mary's Boy Child* and *Winter Wonderland*. It also includes the title track sung as a duet with 12 year old **Billy Gilman**.

No. 86 FAMILIAR TO MILLIONS - Oasis. This is a live collection of their hit songs including *Wonderwall* (No. 1 February 1996), *Champagne Supernova* (No. 26 July 1996), along with *Supersonic* and *Cigarettes & Alcohol*.

No. 95 SEACHANGE 3 - Soundtrack. This is the third album in the series, with *Seachange 1* reaching No. 48 in August 1999 and *Seachange 2* peaking at No. 42, also in August of 1999.

No. 96 FRENCH & ITALIAN ARIAS - David Hobson. With a swag of awards to his credit, including Operatic performer Of The Year in the **MO Awards**, The Best performer in Opera from **The Age** newspaper's Performing Arts Award and an **ARIA** Award for Best Video, for his collaboration with **Christine Anu** and **Baz Luhrmann** in *Now Until The Break Of Day* from **Benjamin Britten's A Mid Summer Night's Dream**, **David's** musical history is well documented. He has also performed for both the **Victorian State Opera** and **Opera Australia** along with the **Sydney Symphony Orchestra** and **David Hirschfelder**.

No. 99 IT'S ONLY LOVE - Simply Red. After more than a 2 year absence from the charts we hear the voice of **Mick Hucknall** return, along with the songs that made **Simply Red** who they are today. This album is the Best Of **Simply Red's** Love Songs, and includes the well-known tracks *If You Don't Know Me By Now* (No. 1 August 1989), *It's Only Love* (No. 31 March 1989), *Fairground* (No. 7 November 1995), *For Your Babies* (No. 55 May 1992) along with the previously unreleased *Lady Godiva's Room*.
