

Chartifacts!

SINGLES – This week a new No. 1 with **Teenage Dirtbag** by **Wheatus** returning to the top spot after a four week break while **Who Let The Dogs Out** occupies the No. 2 position. **Gwyneth Paltrow's** duet with **Huey Lewis, Crusin'** has jumped three spots to sit at No. 6 this week, while the second single for **Vitamin C, The Itch / Friends Forever (Graduation)** has risen from last week's No. 27 to sit at No. 8 this week. **7 Days** by **Craig David** has returned to the Top 10, taking the No. 9 spot this week and **Original Prankster** by **The Offspring** has hit the Top 10 at No. 10 after 8 weeks in the Top 50.

No. 15 PLEASE STAY - Kylie Minogue. Not only is this the third single from **Kylie's** latest album **Light Years** (No. 1 October 2000), but it is her third single in the Top 50 this week. The other two are **On A Night Like This** which is sitting at No. 40 this week and her duet with **Robbie Williams** titled **Kids** which is currently No. 22. The first single from the album is **Spinning Around** which reached No. 1 in June this year.

No. 18 THE POWER / EVERYTIME I CLOSE MY EYES - Vanessa Amorosi. From the No. 1 Triple Platinum album of the same name, **The Power** (April 2000), this single follows the hits **Have A Look** (No. 13 August 1999), **Absolutely Everybody** (No. 6 December 1999) and **Shine** (No. 4 May 2000).

No. 32 BRUCE 2000 - A SPECIAL TRIBUTE - The 12th Man. **Billy Birmingham** has a habit of popping up around big sporting events with his unique style of satire. Most of his output has been based on a cricket theme with a string of No. 1 hit singles and albums including **It's Just Not Cricket** (June 1984), **Marvellous!** (April 1992) and most recently **Bill Lawry... This Is Your Life** (December 1997). A single in the truest sense of the word with just one track, this release is somewhat of a departure from his usual fare, instead parodying the presenting style of Channel 7 Olympic commentator **Bruce McAvaney**. Effectively a selection of one line snippets extracted from a series of skits recorded during the Sydney Olympics for a radio show called **Going For Bronze** with Melbourne comedian **Mick Molloy**.

No. 89 ROAD TRIPPIN' - Red Hot Chili Peppers. The is the fifth single from the six times Platinum **Californication** album, following **Scar Tissue** (No. 15 July 1999), **Otherside** (No. 31 March 2000), **Californication** (No. 44 June 2000) and **Around The World** (No. 49 October 1999).

No. 98 BOWLIN' SHANE - Daniel Haskel. Enlisting the musical talents of "Sideshow" **Michael Anderson**, comedian **Daniel** throws everything but the kitchen sink into this techno dissection of the game of Cricket circa 2000. Sporting a variety of character voices (including commentators of several nationalities and a **Chipmunk** soundalike) and over a chorus of **"Ooh Aah, Glenn McGrath"**, the single pokes fun at a selection of international cricketing personalities, the match fixing scandal and the **Barmy Army**.

No. 99 NEW DAY DAWNING - Above. This is the first single from UK quintet **Above**. It is said to have "angelic vocals, exciting drumming and warm atmospheric strings".

ALBUMS - No a lot going on in the albums chart this week, with the **Beatles 1** still dominating the top spot after five weeks and the Top 6 remaining them same as last week. New entries into this week's Top 10 include the **Charlie's Angels Soundtrack** at No. 9 and **Anastacia's Not That Kind** returning to No. 10.

No. 51 THE THREE TENORS CHRISTMAS - Carreras, Domingo, Pavarotti. If you weren't quite sure that Christmas is coming, surely this album would jog the memory. With only a week to go, everybody is releasing their own renditions of the humble Christmas Carol and the **Three Tenors** are no exception. This album contains the well-known tracks **White Christmas, Jingle Bells, Amazing Grace, Silent Night** and **Winter Wonderland** just to name a few.

No. 65 TOTALLY POKEMON - Pokemon. This week sees the return of **Pokemon**, with the follow up album to **Pokemon 2000: The Power Of One** (No. 101 October 2000) and **Pokemon The First Movie** (No. 9 December 1999). Some of the tunes on this CD are taken from the **Silver And Gold** series which is currently being aired on **Cheeze TV** on Network 10. It also contains a bonus disc of **The First Album** plus a instrumental CD for all of those karaoke fans out there.

No. 96 THE LOVE COLLECTION - Foster & Allen. This is the second album this year for Irish duo **Mick Foster** and **Tony Allen** following **One Day At A Time** (No. 30 May 2000).
