

IMPORTANT!!

This file contains the list of all tracks which have been recorded from vinyl, but not released on the VINYL WAV series to date. The list is arranged by year, then loosely alphabetically. There's also a small section for tracks "ripped" from compact discs which are also unreleased at this stage.

Approximately 60% of the files in this list have been properly mastered and are ready for release. Most of the rest is waiting to be mastered, and a small number have been quarantined for quality control reasons, which means they need to be recorded again.

This file has NOT been checked for formatting, accuracy, typos, etc., however most of the information listed is correct.

What this means is, if you read it here, it's probably true, but don't take it as gospel - verify it from another source first. Also, the tracks listed in a group may not necessarily be a complete group (ie there may be more tracks required to complete the group). This is the major reason these tracks have not been released.

This file is constantly changing, so check often for "updates".

1. GOD BLESS AUSTRALIA* GTV9 Orchestra and Chorus featuring Neil Williams 0'0" (Jack O'Hagan/Marie Cowan) Allans
2. WALTZING MATILDA The Jolly Swagman 0'0" (A. B. Banjo Paterson/Marie Cowan) Allans
3. GOD BLESS AUSTRALIA [Reprise]* GTV9 Orchestra and Chorus 0'0" (Jack O'Hagan/Marie Cowan) Allans

No production information available.

Cover notes: On the 28th January, 1968, as a tribute to Australia Day, a three-minute film was televised which caused tremendous interest. The music behind the film was an entirely new conception of probably the best known Australian song - Waltzing Matilda.

Mr. Jack O'Hagan, who has given Australia so many wonderful songs, recognized that Waltzing Matilda has come to mean more to the Australian people than just a bush ballad. He rewrote the original Banjo Patterson words which were then beautifully orchestrated and arranged by an Australian chorus and orchestra, at GTV-9 Melbourne.

Ampol, who have always been first to sponsor Australian talent in all forms, backed the production and brought it to the attention of the Australian people in the form of a film on Australia, the country and its background.

Ampol did this as a tribute to Jack O'Hagan, a fine old Australian now in his 73rd year, and in the belief that on hearing this music the Australian people would respond to a proud song about a proud country - it seems they have.

Technical notes: This recording appears on a red flexible soundsheet. On the runout grooves of the soundsheet, the number "DNP 564" is found. A regular 7" vinyl version also exists, bearing the matrix numbers MX 25679 and 25680. The former vinyl matrix number is identical to side one of the soundsheet, except for a voice-over on the soundsheet version. Only the vinyl-based recording was mastered for this collection. Neither the soundsheet nor the 7" vinyl record bear any "official" catalogue number.

Hocus Pocus - Here's Johnny! [Central Station CSR CD5 0052]

Horizon - Our Best To You [10855CD]

KIDS
LADY'S LOVE
MAKE BELIEVER
IT'S YOUR MOVE
RAINBOWS AND BUTTERFLIES
YESTERDAY
I STILL BELIEVE
OLD PHOTOGRAPHS
IN ANOTHER MINUTE
ISLANDS IN THE STREAM
BREAKING US UP
EASY TO GET
WE ARE AMERICA
OLD BLUE JEANS
MAKIN' FRIENDS
LEANING ON THE ARMS
ANYTHING FOR YOUR LOVE
LOVE IS THE HEART'S RAINBOW
MR. TAMBOURINE MAN
WHEN GOLD TURNS TO SILVER
HARD RAIN FALLIN'
HOW SHOULD I KNOW
SAMMY'S TESTIMONY
CAT'S IN THE CRADLE
THROUGH THE EYES OF A DREAMER
NEVER GIVE UP ON A DREAM
PUT YOUR HEART IN IT
BACK ON MY FEET AGAIN
PEOPLE GOTTA BE FREE
GIVE IT YOUR BEST
TEACH YOUR CHILDREN
